BITS and PIECES

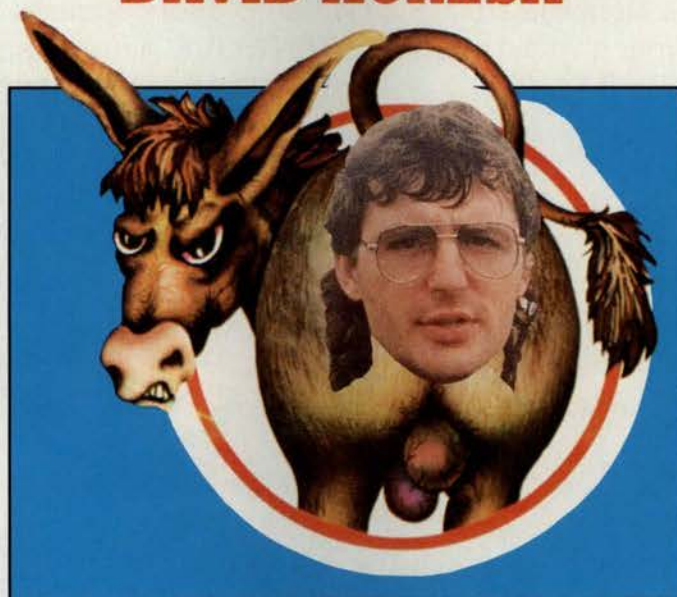

ASSHOLE OF THE MONTH

DAVID KORESH

According to the most reputable government sources, David Koresh is dead, incinerated like bad trash with a bullet through his head. Koresh has been branded a child molester on the cover of *People* magazine. Former followers have depicted the unresurrected messiah as a guy who beat eight-month-old babies and slept until two p.m. Bird-cage newspapers, tabloid scandal programs, talk-radio blowhards and TV hairdos—simpletons of every stripe—are bagging on the wacko from Waco. This would seem to be sufficient indignation for any incarnation of God on Earth, but no. Infamy of infamies, David Koresh is also *HUSTLER* Magazine's Asshole of the Month for September 1993.

The fact that some 24-year-old, Bible-garbling geek slides his dick to a 67-year-old woman, Lois Roden, as part of a plan to take control of a religious sect she heads (the Branch Davidians, a subcult of the conservative Seventh-Day Adventist Church), then changes his name from Vernon Howell to the scripturally inspired David Koresh and creates a fortified, heavily armed survivalist compound in the Texas shitlands to house scores of his hard-core followers and their children is really, on the surface of it, no reason for undue derision.

Furthermore, many among us occasionally toy with the revelation that the world would be a much finer place if only we were the master of every fuckable woman in it. Can we fault David Koresh simply because he did his best to live the

creed that most of us only fantasize about? By the time of his death at age 33, David "Immortal but Imolated" Koresh was purported to have amassed a stable of 19 wives. Prior to the smoke damage, a lot of those Branch Davidian babes looked pretty cute, and like hot fucks too. Still, despite the assumed attractions of Koresh's mates, it's hard to know whether to envy or pity a man with 19 wives.

Perhaps if flash-fried Jesus Koresh had risen from the ashes on April 22, three days after the Branch Davidian compound and almost everyone in it went up in flames, his lawyers might have employed the wife-overload defense and gotten the charismatic prophet of guns, ammo and nymphets

released with time served and community service. No amount of lawyering, however, in this life or the next, will mitigate the scorn and revulsion that any real human will feel at the memory of David Koresh, a jagoff wannabe who created his own little world of worship and fantasy and took out dozens of susceptible souls in a fireball of adolescent tantrum that can be attributed directly to his own self-gorging egomania.

In the early 1980s, Koresh left his native Texas to chase a dream of rock stardom in Hollywood. He wanted to be famous. One of the greatest pathologies threatening America today, on a par with AIDS, cancer or alcoholism, is the glorification of celebrityhood. Any human being

whose primary purpose is the pursuit of life as a fabricated product is a person so badly damaged at the core that they should be sequestered from the population at large. And yet the masses of this country are conditioned to sit back and applaud when tan-deep, double-digit-IQ entertainment personalities are presented as spokespersons and experts upon issues beyond both their experience and their comprehension, or as the representatives of a conscience more refined than that of us mere viewers at home. We are tempted to live through these higher beings and nullify our own existence.

David Koresh had that unshakable belief common to every big-headed ham who's ever auditioned to play the guy with the painful rectal itch. Koresh thought he was better than everybody else, somehow special, and he believed that everybody else should recognize that delusion.

Koresh's particular case was compounded by an insistence that he was on direct speaking terms with God, and that, furthermore, no one else was. This apparent certainty of divine guidance convinced his followers to turn their will and their wives over to his abusive, megalomaniacal, ultimately fatal, jagoff vision. Their savior was in actuality a celebrity worshiper who spent the night watching MTV and fantasizing about Madonna.

Koresh never will get to stand on the victory platform behind a celeb-endorsed President, but he is famous now—the most famous Asshole in hell.

FARTS IN THE WIND

Guy Hunt: Republican Guy Hunt was automatically removed from his position as governor of Alabama when a jury unanimously convicted him of a felony-ethics charge of illegally diverting to his own use \$200,000 that should have gone into his 1987 inaugural fund. The 59-year-old Hunt, who was accused of using the earmarked donations for mortgage payments, cattle feed and a riding lawn mower, is also a lay preacher for the Primitive Baptists, which makes him a testifying Asshole.

Dale Hunter: Dale Hunter, a center for the National Hockey League's Washington Capitals, pulled a stunt that was stupid and brutal even by hockey standards. In a snit over New York Islander opponent Pierre Turgeon's winning goal in a playoff game, Hunter stalked the victor halfway across the rink and blindsided body-slammed him, separating Turgeon's shoulder and sidelining him

for the remainder of the NHL post-season play. Hunter is an Asshole on ice.

Jesse Helms: Senator Jesse Helms of North Carolina opposed the confirmation of Roberta Achtenberg as President Clinton's assistant secretary of housing and urban development: "Because she's a damn lesbian. I'm not going to put a lesbian in a position like that." But lesbians look great in many positions. Helms's closed mind is the sign of an open Asshole.

TACO WACKO

My husband never misses a HUSTLER issue. I enjoy the jokes and articles too. However, while I was reading an article in your April 1993 issue, I became upset and had to write to you. The article was about America's ten worst prisons (*Hell Times Ten: The Ten Toughest Prisons in America*, April '93). Although I agree about the prison in Santa Fe, New Mexico, there is something I have to explain to you.

I have close friends and family at the pen, on both sides—guards and prisoners. I know about the horrible things that can happen there. One of my friends survived the 1980 riot because he hid in a dryer.

New Mexico is a state on the border of the United States and Mexico. The economy in New Mexico is low. There aren't many large cities and not many jobs. People who live in the many small towns must commute to the larger cities for work. The biggest obstacle to employment that they face are the many legal and illegal Mexican aliens who work for low wages or cash. Often, when a U.S. citizen residing in New Mexico tries to get a job, the rate of pay is less than fair, and abuse from the employer is likely, because there are so many Mexicans available for hire as cheap labor. Many Mexican aliens, legal or otherwise, get cash wages; so no employment tax or social security is paid. The Mexicans, understandably, don't care who they hurt—their homes aren't here.

What it boils down to is that New Mexico's small cash flow is befitting Mexico, and New Mexicans are forced to get welfare or food stamps to survive. In most states, there is prejudice against blacks, whites, Asians, Indians and Hispanics. There is only one prejudice here: anti-Mexican. For HUSTLER to refer to New Mexicans as Mexicans when describing the pen at Santa Fe was degrading. It makes me

wonder if you really know that New Mexico is part of the U.S., not Mexico. —T. M.
Las Vegas, New Mexico

TOUGH ENOUGH

I'm writing about HUSTLER's article concerning America's ten toughest prisons (*Hell Times Ten: The Ten Toughest Prisons in America*, April '93). I think writers John Shinnors and James Jennings should share a double nomination as Assholes of the Month. They can't possibly know what really goes on in Statesville. As far as the rapes that happen here, it's a rare occurrence, and when it happens, it usually happens to a willing participant. I don't know where these jackasses got their information, but if there is an Aryan Brotherhood in Statesville, then Shinnors and Jennings should let me know where it's at. And nobody these days gets thrown off the tiers! I'm a resident here at Statesville, and I can honestly say I've been in much worse mini-

mum-security prisons. Just so your readers don't get the wrong impression: If a convict screws up within these walls, he gets dealt with. As we all know, shit happens!

BACK TO BLACK

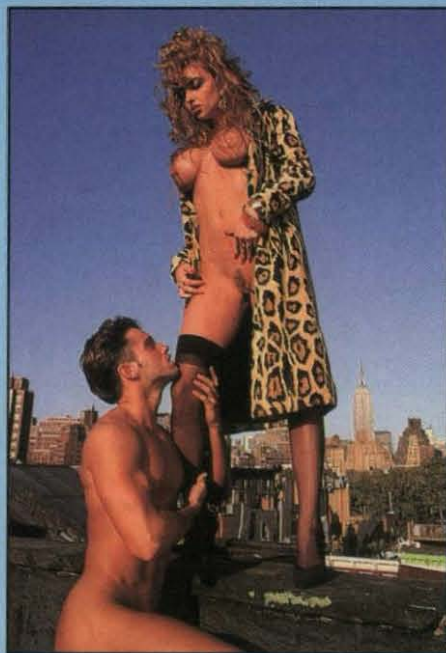

I love black pussy. How do I obtain a back issue such as January 1993 with Lo'Retta (*Lo'Retta: Black Cat*, January '93) in it? Whatever happened to "One for the Ladies" in *Beaver Hunt*? I'd love to advertise my eight-inch cock in HUSTLER. And for everybody obsessed and off-the-deep-end over Holly Ryder's clit, check out a smut vid called *Amateur Lesbians: Number 2*. Leilani bites, sucks and munches on Holly's humongous nob in clitoral closeup! Keep up the good work. HUSTLER's the best—fuck the rest!

MERDE-HEAD!

I see in an old HUSTLER an advertisement for a contest ("Pottyboy's Deep Doo-Doo Contest," *Bits & Pieces*, October '92). I am too late to do it, and I cannot enough English! Will you be so kind to sell me the photomagazine *Pottyboy*? I am masochist. I like pains because I have stronger and more

HE-SHE J. C.

I read HUSTLER almost every month, and I think it's the best wank rag on the stand. I especially like your juicy pictorials, such as the one in your May 1993 issue with Claudia and Harry (Claudia and Harry: Public Exposure, May '93). That chick has a fantastic body and a beautiful face! She looks a lot like Cindy Crawford, only better! I would love to eat that luscious pussy of hers! I would even lick her asshole!

In the future, I would like to see she-male pictorials. I would love to see Claudia making it with a he-she in HUSTLER! I would just like to add that, in my opinion, sales of HUSTLER Magazine might increase if you stopped making fun of the Lord Jesus Christ. I love the Lord, and it hurts me to see him made fun of ("If the Bible Had Ads," Bits & Pieces, May '93). I am sure that most of your readers feel the same way.

As an avid reader of HUSTLER Magazine

for years, I just thought it was high time I sat down and told you how much I appreciate everything HUSTLER does and stands for. You must be doing something right if the Canadian government sees fit to censor parts of dialogue and photo layouts with buckets of black ink! Please, HUSTLER, in your fight against censorship, try not to forget your neighbors to the north, as we suffer through extraordinary censorship. (Ontario just recently won the right to show penetration in adult movies!) I dream for the day when I can purchase HUSTLER Magazine here in Canada and be able to read and see everything that was meant to be in it.

I have just one request. Would it be possible to put all the ads for gay men on one page so those who would rather not see them could flip past? You have what I consider to be the best adult magazine anywhere. Hopefully, one day HUSTLER will be uncensored everywhere it's sold! —K. R.
Vancouver, Canada

Why don't you get off your big Canuck butt and do something about censorship in Mooseville yourself, K. R.?

HARD SELL!

I've been a loyal HUSTLER fan for almost

19 years now. I have a copy of every issue, from the August 1974 issue to the current one. I started out buying the mag on the newsstands, but one time I had trouble because authorities confiscated a particular issue in the late '70s; so I got a subscription. I'm writing because I'm looking, reluctantly, to sell my HUSTLER collection. I have a neurological condition that's put me in a wheelchair. I have to buy an adjustable bed—quite an expense for someone on disability. I figure my HUSTLER collection is priceless, but I need the bed! I'm looking for a buyer interested in the investment.

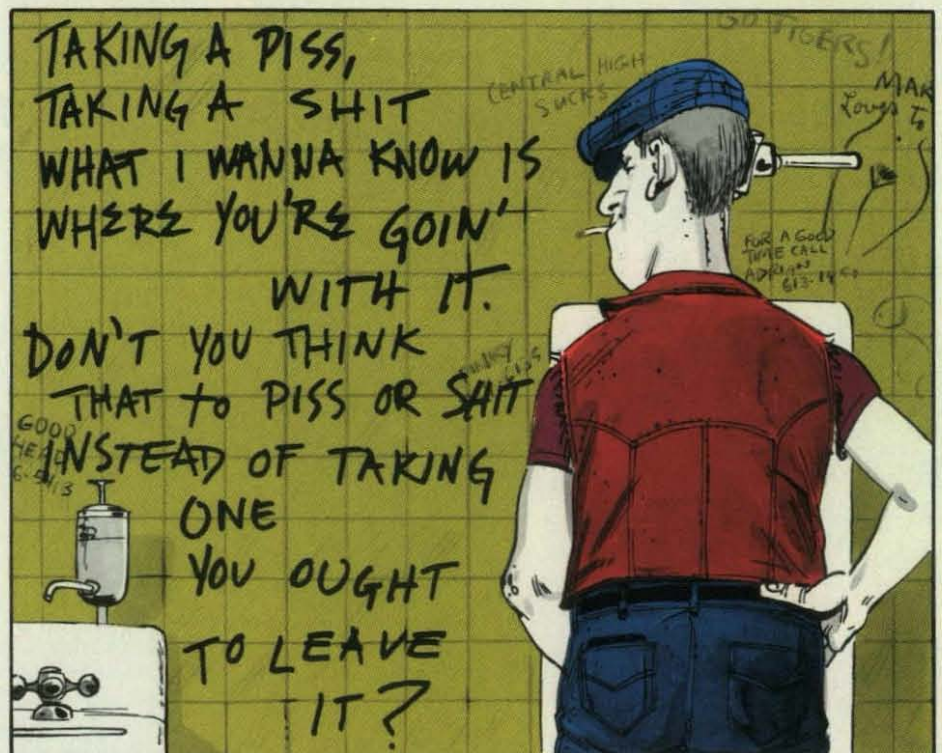

This is what I'm asking, HUSTLER. If you know of a library or a serious collector interested in a comprehensive collection of America's magazine, feel free to pass along my address!

EDITED BY SCOTT MALLORY

THE CREASEMASTER

Fully Erect. Directed by Gregory Dark; starring Tiffany Mynx, Heather Hart, Tiffany Million, Lacy Rose, Devon Shire, Christina Appleigh, Jonathan Morgan, Mike Horner, Kyle Houston, Tim Lake, Marc Wallice and William Wienhardt. Videocassette: VCA.

The Creasemaster chronicles the transformation of James P. Tate, an insurance salesman who fixates upon the flash of a customer's gash and becomes Jean Paul Slamdog, a cunt hound obsessed with the intricacies and delicacies of pussies, of all the pussies in the world. Does everybody relate? *Creasemaster's* mood of manic muff pursuit starts with the opening montage, a flashing

display of heaven-leavened lust muffins nestled in creamy upper thighs, accelerates through a series of vagina-intensive threesomes in which the magical orifice practically climbs up, spreads its lips on the cameraman's lens and swallows the home viewer whole, and lifts off with cock-glaze launches to breasts, mouths, ass cheeks and foot. Every chick in *The Creasemaster's* stable of video dolls is worthy of solid, hearty, truly nasty dirty work, and that's what each one of them gets or gives, with pacing, focus and a shifting of perspectives and positions that make the entranced consumer feel just as defiled as anybody on the screen. *The Creasemaster's* message: Go sex crazy, and everything is gravy—pussy gravy. —Christian Shapiro

The entranced viewer will feel just as defiled as anybody on the screen.

A cunt hound obsessed with the intricacies and delicacies of pussies.

Vampirass sucks, and not often enough in a good way.

Exotic erotic Brigitte Aime offers her Rear!

For some, Heist may be a ripoff.

VAMPIRASS

One-Quarter Erect. Directed by Ethan Marcs; starring Madison, Gail Force, Ashley Dunn, Teddi Austin, Brandi Blaxx, Tom Chapman, Ted Wilson and Don Fernando. Videocassette: VCA.

"Inept" is a good way to describe the story structure and plot progression of *Vampirass*, and "wholly apathetic" about sums up the quality of the video's acting. Such negatives don't warrant mention, except that the wholly apathetic ineptitude of *Vampirass* creates such confusion that the smooth-assin, no-hands, mouth-to-mouth pass-off of a flesh baton from Gail Force to Ashley Dunn, and Gail Force shredding her pantyhose until the nylon and her snatch are both deeply ripped and fully open, and the strap-on-dong double penetration in a three-girl pussy pile, and Madison, with rods of steel in her nose and tongue, sticking out her chin to take a straight shot of dick slop are all almost lost in the mishmash of lameness. *Vampirass* sucks, and not often enough in a good way.

—C. S.

TO THE REAR!

Three-Quarters Erect. Compilation; starring Nikki Sinn, Valhalla, Brigitte Aime, P. J. Sparxx, Sandy, Carolyn Monroe, Peter North, Cal Jammer and Tom Byron. Videocassette: VCA.

It's hard to fuck up a compilation anal tape. *To the Rear!* succeeds specifically because someone at VCA had the butt-hole insight to string together the following scenes of rectal invasion: Peter North digging long and steady into the dung pit of slinky Nikki Sinn before dumping a splotch on her face; exotic erotic Brigitte Aime rolling over and offering her butt ring for the log of Tom Byron, who splits her rump, pulls off his rubber and spritzes her; pretty, young, thin Sandy with her ass in the air for Byron's poop prong as P. J. Sparxx lounges below and snacks on snatch; and blond and blowsy Carolyn Monroe's videogenic headjob on a wet penis leading to her gritting her teeth and squealing like an ass-banged beauty as she takes a shit-pit hit.

—C. S.

SEX HEIST

One-Quarter Erect. Directed by Jourdan Alexander; starring Porsche Lynn, Cal Jammer, Teddi Austin, T. T. Boy, Alicia Rio, Kris News, Nicole London and Nick E. Videocassette: Western Visuals.

The girls of *Sex Heist* are all fuckable—every girl in the tape gets fucked. If pressed, they will even fuck one another. However, it is difficult to imagine a dedicated stroker who still has any jam left for Porsche Lynn, though she does reach out her tongue for a game facial. Though demonstrably able to siphon off a shot of semen, Lynn is probably not at this time in the prime of her video-sex life. Film of that prime is available; so why does *Sex Heist* exist? Two of the three newer girls will be lucky if they ever achieve even Porsche's current level of allure. Alicia Rio—who is a dirty mouth in both word and deed—performed only one cunt stunt before the review tape prematurely malfunctioned and went blank, something that never happens during the opening phone-sex ads. Some people might see *Heist* as a ripoff.

—C. S.

HOUSE OF TORTURE

Half Erect. Directed by Trixy Tyler; starring Trixy Tyler, Sharon Kane, Jessica and One Hostile Man. Videocassette: Pleasure Productions.

The worst thing about bondage and spanking videos (other than the prohibitions against actual genital fondling or penetration) is that so much of the corporal discipline portrayed is either not mean enough or downright faked. "C'mon," groans the frustrated viewer, warm beer in one hand, tepid dick in the other. "Won't someone please actually spank that big, round, bouncy, ask-for-it ass?" In *House of Torture*, someone—a hostile-seeming blond guy—actually gets real on the buns, back, shoulders and thighs of whelped-for-whipping Trixy Tyler. Tyler's cheeks are smacked with a resounding slap that will send a jolt of authenticity along the spine of even the most doubting viewers, something Sharon Kane—though she's completely convincing as the stern mistress of bitch-over-bitch humiliation—fails to achieve with her captive paddle bunny. *House of Torture* has room for more, but at least somebody's home.

—C. S.

The *Torture* is real.

Feasting on cock in *The Creasemaster*.

younger guys," Million says. "I like the ones that are corruptible and naive. I am the corruptor, the evil bitch. When I get to be 50 years old, I'm going to be paying for young guys to come to my house and ball me up the ass.

"Giving head is my favorite thing," she continues. "I love to feast on a guy's dick. I could be down there for hours. I've had guys push me off and say, 'Enough, let's fuck.'

"Back in seventh grade, in Catholic school, I used to hang out with a bunch of guys and go camping. I used to dream that they would ask me over to their tent and would play with my body and do naughty things with me. To this day, when I masturbate, I still use that fantasy of being passed around."

Million's muscle twat is passed around in *The Creasemaster* (which she says is her "best acting to date as far as dramatics go, because I had to transform from submissive, a trait that is unheard of for me, to an aggressive dominatrix"), *Legacy of Love*, *Twister*, *B.L.O.W.*, *Sweet Target*, *The Naked Pen*, *Wild Things 3* and *The Creasemaster's Wife*.

Any 18-year-old boners out there can drop a load to Million at P.O. Box 1168-492, Studio City, CA 91604.

TIFFANY MILLION A CORRUPTING, EVIL BITCH

Ever since she was a little girl, Tiffany Million has known that one day she'd get to fulfill her dream of fucking on film.

"This is something I've wanted to do all my life," Million says. "My body is made for sex. Other than someone pissing on my face, I can't think of anything I won't do. Gladly."

For the record, Million, a former *Gorgeous Ladies of Wrestling* performer, has a slew of mainstream credits on her resume, including television episodes of *My Two Dads* and *Tales From the Crypt* and several B-movies, with more to come; but, frankly: What makes her shaved slit juicy?

"I like being the dirty, older woman on the make for

GOLDDIGGERS

Half Erect. Directed by John T. Bone; starring Keisha, Gail Force, Sharise, Charlotte O'Hara, Chessie Moore, Saki St. Jermaine, Jerry Butler, Steve Drake, Nick E. Videocassette: Metro Home Video.

Golddiggers doesn't have much other than a lot of Keisha. In one scene, in fact, *Golddiggers* has more Keisha than Keisha has ever been before, but one heaving monument to insatiability alone is not quite enough. A dark-burning brunette, Keisha has gotten big in the thigh, her ass is awesome, and her nipples jut with spontaneous arousal. She still looks good slurping dick with that wet muscle of tongue, and she causes seismic shifts in erotic topography by moving all that flesh around on Steve Drake's prick. Keisha's generous bosom squashes together like a swollen butt for a cushy tit-fuck, with a load right onto her lips, mouth and nose. The rest of *Golddiggers*, except for the pooh stick up Gail Force's dirt hole, borders on stingy and mangy, with much of the action occurring well within Skagville city limits. The producers must have searched far and wide to locate a cow who would not only fuck Jerry Butler, but also match his physique. Too bad they found their way back.

—C. S.

Golddiggers has Keisha, a heaving monument to insatiability.

MO' WHITE TRASH

Half Erect. Directed by F. J. Lincoln; starring Sierra, Domonique Simone, Tom Byron, Nicole London, Sean Michaels, Janet Jacme and F. M. Bradley. Videocassette: Metro Home Video.

The chicks Tom Byron catches scavenging through his absentee boss's garbage cans look more like porn starlets than the homeless people they are meant to play, but who cares once Tom invites a jumbo-jugged black princess in for a bath, then buries his face in the shaved treasures of her full, dusky bottom? Maybe none of these indigent doxies has a permanent address, but they're all right at home on a bone—especially if it's thrown by a man whose racial heritage is other than their own. Black trooper F. M. Bradley stakes a claim to a slatternly piece of white pussy, spilling evidence of his plundering all down her face. A second chick with Afro skin and big tits takes face, fingers and a lob of penis snot in the mouth and eye from a white dick, and petite pink-cheeks Sierra wedges in as much of Sean Michaels's pitch-tone eel as her crumpet can accommodate before milking it into her pursed lips. She just can't take no mo'.

—C. S.

These chicks just can't take no Mo'.

In search of a Lady, Byron takes time out for a threesome.

THE LADY IN RED

Three-Quarters Erect. Directed by Edward Dinero; starring Alexis DeVell, Heather Hart, Sierra, Melanie Moore, Meekah, Tom Byron, Marc Wallace and Larry White. Videocassette: VCA.

If every hooker looked like Alexis DeVell, the twat trade would have its own exchange number on Wall Street. Cascading auburn hair, missile tits and pastrami-pink nipples: DeVell and her red dress captivate Tom Byron into following her back to a mysterious house full of naked porn stars. Opening a door, Byron finds Heather Hart sucking cock like a wittle girl with a cherry sucker; only this lolli pops white slime across her suntanned ass. Byron takes time out from his surrealist pursuit of the lady in red to share in a threeway behind door Number 69, where sultry Sierra and Melanie Moore mash B-cups before taking turns atop Byron's knobby barnacle. Sierra turns the other cheek, showing his dick hole her best side, which he promptly smears with pasty makeup. All this steamy sex knocks our hero out and, after a tasty interlude with Meekah's yellowtail and Marc Wallace's eel sashimi, Byron finally finds his fantasy fuck. The climax across her pubes (porn's most useless cum-shot) taints an otherwise furious foray into fantasy and froth. Salvador Dali wouldn't have been proud, but he'd probably have had a whack anyway.

—Seth Roberts

FRESH TARGETS

When it's time to stand up and shoot, a porn queen's face is where strokers aim. Just like at a pistol range, where used targets are replaced with new ones, the smut factories of Porn Valley regularly hang up unblemished bull's-eyes for stroker pop shots. Load up and fire at Shayla LaVeaux's begging lips, upper left (*The Darker Side of Shayla*), Crystal Wilder's ruined lipstick, right (*Night Creatures*) and Nicole London's slutty stare, left (*Sodomania*).

FLYING HIGH 2

One-Quarter Erect. Directed by Jim Enright; starring Melanie Moore, Taylor Wane, Kiss, Trinity Loren, T. T. Boy, Marc Wallace and Jonathan Morgan. Videocassette: Hollywood Video.

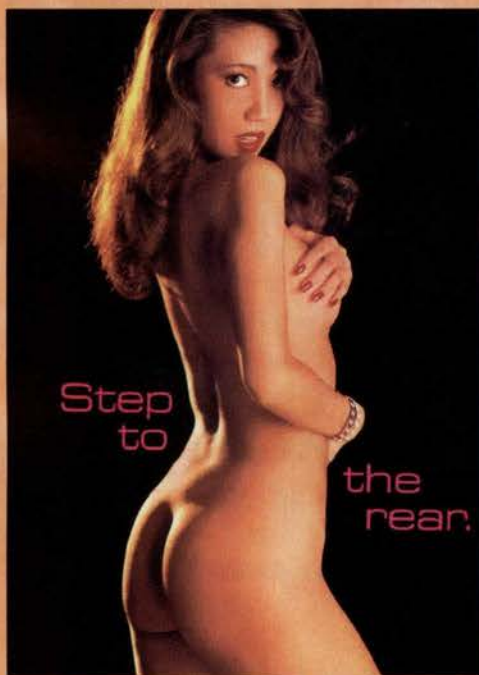

Imagine a porn movie where the sex is duller than the plot; where T. T. Boy seems more excited walking buddy Marc Wallace to the door than he does fucking Kiss and Trinity Loren at the same time. Imagine a story set in World War II that never explains why Army Captain Wallace has hair down to his asshole; or why the same old porn actors have to fuck the same old actresses in the same old positions in video nosedives like *Flying High 2*. No amount of clever camerawork could save yet another sheet shuffle between milquetoast Melanie Moore and Wallace; so director Jim Enright doesn't even try. On the brighter side, barmaid Taylor Wane praises Jonathan Morgan for "being the only guy who's never looked at me like a whore." Naturally, she rewards him with a jackhammer blowjob

Flying: Wane fucks 'cause she's not a whore.

and backdoor boff across a barstool. The movie finally shows promise when our battle heroes are presumed dead, leaving Wane to console Moore with a tongue inside her flophouse snatch. Unfortunately, the boys do make it home to live and fuck again in another boring porn movie.

—S. R.

Caught: Biological closeups of flinching assholes.

CAUGHT FROM BEHIND 17

Half Erect. Directed by Jim Enright; starring Hitomi Kaiman, Mimi Miyagi, Cumisha Amado, Rebecca Bardoux, Samantha York, Ron Jeremy, Marc Wallace and T. T. Boy. Videocassette: Hollywood Video.

If the idea of hirsute Ron Jeremy fucking muddy bunnies sounds nauseating, avoid the 17th installment of this endless foray into the hindsight zone. If that scenario sounds appealing, seek therapy immediately at Dr. Proctor's clinic, where Jeremy and Marc Wallace poke and prod assholes for a living. The female cast of Oriental exports proves that Asians may make better toaster ovens than Americans, but their chicks are often uglier than fried octopus. Amado has an asshole so large, Jeremy could drive a Toyota through it, although he uses his dick instead. Mimi Miyagi, who looks better in magazines than on film, receives a sperm enema courtesy of Wallace, while T. T. Boy spikes his pigskin in the sloppy endzone of Hitomi Kaiman. The movie's best moment includes no dick at all, as potent slutster Rebecca Bardoux gets cornholed by a woman with a strap-on while another jams two fingers in her snatch. There are just enough filthy, biological closeups of flinching assholes and straining faces to make this a video best kept far away from the girlfriend considering the "pleasures" of anal sex.

—S. R.

JENNIFER ATE

One-Quarter Erect. Directed by Jim Enright; starring Paula Price, Melanie Moore, P. J. Sparxx, Alex Jordan, Porsche Lynn, Jeanna Fine, Alexis DeVell, Kiss and Serenity Wilde. Video-cassette: X-citement Video.

Congratulations are in order for director Jim Enright. With the production of *Jennifer Ate*, Mr. Enright can collect his certificate of completion from the Closeup Academy of Videography, with a special merit badge for outstanding work in the crotch-to-face-to-crotch technique. Anyone wishing to learn how to diffuse the energy of a seven-twat orgy that includes P. J. Sparxx butt-banging a sweaty Porsche Lynn with a huge, black, strap-on dildo now has a ready-made study guide. There are six scenes of drippy cunt sex served up, some of which appear to be downright hot, between some of the best-looking and nastiest babes in the business; but the visions are mostly left on the set by lazy camera work and unimaginative direction. What *Jennifer Ate* will cause heartburn.

HONEY MORON LESSON

Recently, I purchased one of your excellent—and I mean *excellent!*—magazines.

I like HUSTLER's photographs and the excellent selection of Priscilla as Miss March (*Priscilla: Dirty Pillows*, March '93). Thanks for publishing HUSTLER Magazine!

—G. B.
Hillman, Minnesota

Dear G. B. and HUSTLER first-timers everywhere: HUSTLER Magazine does not Miss anything. Our center-spread babes are 100% Grade-A Honeys, nothing less!

MORON PUT-ON

Not long ago, I purchased one HUSTLER Magazine, May 1993, in Reno, Nevada. This was the first time I bought HUSTLER Magazine. I'd heard of its fine reputation and was tired of boring old *Penthouse* and *Playboy*. But the HUSTLER I purchased was missing three pages of continuations from articles.

The missing continuations were in the Buttboard feature on page 31 (*Buttboard: The Music Industry's Greatest Shits*, a HUSTLER Magazine parody, May '93). The first piece is "Nirvana Sues HUSTLER," which is informative; but the article stops in the middle, indicating a continuation on page 69. On page 69, the article is nowhere to be found.

The second article is "Red Hot Dingle Berries: Rock's Latest Shitheads,"—an entertaining article, but the continuation page, supposedly 77, is a full-page comic.

The third article, "Ice-T Sues HUSTLER," is likewise an amusing article, but, again, no continuation. Since I'm a new customer, I don't know if this is a normal problem or maybe the butt of the joke in the article. I hope this is not a normal procedure or a joke. I will wait for your response to see if I am going to read your magazine again. I'm sure HUSTLER's proud of its reputation and will want to adjust this matter fairly.

—T. R.
University of Nevada, Reno, Nevada

Butt's up, T. R. Rest assured, all the problems at HUSTLER are normal. You can read HUSTLER again—er, that's what you're doing already!

TYPICAL READER

I'm a 21-year-old male who reads and enjoys your wonderful magazine!

To those who think HUSTLER exploits women—do you think HUSTLER's flesh-flashers are forced to pose?

If a woman wants to show her stuff, it's her decision and her right! I would also like to know why so many readers want to bitch if they don't see bald pussy. Hairy pussy is entirely natural! I would rather eat a hairy muff than a bald one! Bald pussy is like cherry pie without the crust.

I buy HUSTLER every month, and wouldn't miss it for nuthin'. If I see something I don't like, I turn the page. I've never been offended! I guess you could say I have a sick mind.

The other day, while I was walking through the woods, I found a pair of sticky, purple-lace panties, which is the only thing I am wearing right now!

I really love stroking my hard meat to all the hot babes in HUSTLER! My most favorite part of HUSTLER is the close-up snatch shots. Whaddya say we have even more? I love the full-page pussies too! Hats off to HUSTLER and all the HUSTLER Honeys! Gotta stroke! —T. H. Shelburn, Indiana

Do you have a comment or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to HUSTLER *Feedback*, 9171 Wilshire Boulevard, Suite 300, Beverly Hills CA 90210. Include a phone number if you want your letter considered for publication.

SHAVE AND A HAIRCUT, TWO LIPS

I despise the rich bitches who frequent my friend's Beverly Hills hair salon; their air of condescension makes me want to vomit on their surgically altered faces and rub it in like a stinking facial. On the other hand, I need the money; so when Frank, the head stylist, vacations and asks me to fill in, I eat crow and oblige them.

Frank always provides instructions about particular clients: Mrs. Walsh likes a quick neck massage after shampooing; Diedre wants a seaweed wrap after, never before, her cut; and Chloe drinks Calistoga mineral water, never Perrier. I could deal with those demands, but Frank never left directions about a flaming bitch named Moana P.

She looked enough like Hollywood cunt Sharon Stone when she walked through the glass doors that I took an immediate disliking to her. Tomas, the official salon greeter, welcomed her with a double-cheeked kiss before she strutted to the stylist's station. "Where is Frank?" she spat.

"He's on vacation," I smiled, politely, "but rest assured, you're in good hands."

She rolled her eyes and set her sunglasses on the counter. "All right, let's do it," she yawned, strutting into the shampoo room. Tomas gave me a weak smile of encouragement as I checked my breath and followed. When I shut the door and turned to face her, my jaw locked at the sight: Instead of reclining with her blond hair in the shampoo sink, Moana sat upright and had taken off her dress. Her unblemished, white skin pressed into the black-leather chair. Her hands clenched the latest *Daily Variety*

beneath a wonderfully pert set of medium breasts. Her legs were spread in a gynecological position, flashing the pinkest, most well-groomed pussy I'd ever seen without a plane of glass in front of my face. "Not too much," she said disinterestedly. "I've got a movie to shoot this week."

"Excuse me?" I hesitated to ask.

"Leave some hair around the lips," she sighed. "I don't want the audience to see too much."

"You want me to trim your...."

"Of course, you idiot!" she slapped the magazine against her thigh. "Frank shaves me every week."

I hated her insolence and had half a mind to stick a sharp pair of scissors in her hand and tell her to do it herself. Unfortunately, the other half of my mind was throbbing in my slacks; so I grabbed the scissors and dropped to my knees like an obedient dalmatian. My heart thumped, but I maintained a professional air. "Open a little wider," I whispered, and she kicked her right shank over the chair arm.

A fishy scent wafted from her puss as I tugged her pubic hair to trim the longer tufts. What a cunt! No more than an inch and a half long, with a clitoris the size of a pencil eraser. As I cut the hairs at her bikini line, my thumb scraped her clitty.

"On second thought," she said coolly from behind the magazine, "shave the whole area. I'll give the crew a little thrill."

My mouth was drier than a popcorn fart as I massaged a lump of whipped shaving cream into her snatch, my fingers fishing inside her vulva as they worked. The inside of her slit felt like finely chopped liver. The disposable razor quivered as I gingerly slid the sharp blade against her silky skin; my face was close enough to lick her mons.

I must have been working too slowly, because she threw down her paper, grabbed the razor from my hand and scraped the blade violently against her pubes like she was grating cheese. The

force of her motions splashed frothy cream against her breasts. "Do it like this!" she sneered, ripping more hairs from her crotch. "Think you can manage that?" I nodded as she thrust the razor back into my hands.

When I ran the blade across her left labia, hair fell onto the chair where her asshole peeked out from the leather. Some of the little tufts clung just inside the outer folds of her twat, forcing me to spread her moist lips apart and retrieve the creamy clumps. I put the razor down and rinsed my hands, sticking wet fingers back inside her slick snatch to wash away the excess shaving cream. Finally, she was bare; her pristine pink glistened like fresh cotton candy. I blew on the slit to dry the moisture; tiny goose pimples arose on the outside labes. I pretended to retrieve more wayward hairs, determined to soak my fingers with as much tuna as possible. Later, I'd supply the mayonnaise.

"All done," I announced proudly.

She closed her magazine, ran her fingers along her dry lips and looked at me with disgust. "You have to moisturize," she informed me.

"Right, right," I apologized, and was walking to a nearby counter when she grabbed my belt and held me in place.

"What was your name again?" she growled.

"Randolf," I stammered.

"Randy," she chirped sarcastically, "I

I stepped back a foot and bent my knees; I hadn't shit yet that morning, and I hoped my ejaculation wouldn't cause any backdoor rumblings.

only moisturize with a man's lotion. Didn't Frank tell you?"

"Well, no, to be honest," I quivered. Frank was in for shit when he got back.

"Well," she guffawed like Joan Crawford in *Mommy Dearest*. "You'd better shoot off that little monster before I cancel my appointments at this salon for good."

"You want me to...." I never finished the sentence. She glared at my trousers.

"Do it!" she said sternly. "I have a screening in half an hour."

My mouth was open wider than the goddamn Mississippi River. I removed my smock and unzipped my pants. My dick was already hard. "It's smaller than I thought," she chuckled.

If I hadn't been so erect, I would've whizzed a stream of piss into her cunt face; instead, a drop of clear pre-cum slipped from my pee hole. "Now, go!" she ordered, and I stroked my stick.

My eyes focused on the target. She ran her fingers along the velvety surface of her bare pussy lips. Sweat ate through the glue of my toupee as she spread her gash open and showed me the gizzard inside her twat. My hand raced along the length of my dong, pulling with it semen from my balls. She stuck a middle finger inside the cherry tart and found a glob of chunky, white goo that she flung onto my straining bone.

She raised her slim legs high in the air like football goalposts; her light-brown turd ring gave me a sly wink for encouragement.

I stroked and stroked and stroked, until the sperm was ready to fall out of my dick from sheer aggravation.

I stepped back a foot and bent my knees; I hadn't shit yet that morning, and I hoped my ejaculation wouldn't cause any backdoor rumblings.

The first dribble of cum slithered onto the chair, but the next gush of white hit her pink center squarely. "The lips, you asshole! Spray the lips!" she barked.

I shuffled to my left and bathed her right lobe with a silvery line of cum, quickly moving back to soak the other.

Soon her entire pussy was covered with my chunky chowder and, with the last drop clinging for dear life, I wiped my prick carefully against her round clitoris. Fuck Jose Eber! I was a styling master.

She massaged the gooey fluid into her crotch and flung what she didn't need back onto my smock.

"Well done," she announced, hopping

from the chair. She grabbed a towel to dry her hands and slid back into her dress. Pulling the fabric free from her marble butt cheeks, Moana left three 20-dollar bills on the counter and strutted silently out the door.

Frank will be on vacation again in October. I'm already busy practicing my aim, with the help of HUSTLER centerfolds.

DEAD FUCK

Albert died last week. My best friend had been cleaning mud from his tractor's wheels when the damn thing slipped out of gear and crushed him. I'll miss him; he was a good fellow. I feel bad for Annie; she was Al's girl. I consoled her as best I could, and even drove her to the funeral yesterday.

Even in sadness, Annie was a prize. Underneath the black veil, her green eyes sparkled like a fresh can of 40-weight oil. I don't mean to be disrespectful, but her figure never looked

fuller than inside her tight, black dress.

She handled herself like a champ during the memorial service, which highlighted Albert's special skills; his chicken-plucking was legendary in our town. Annie tossed the first shovelful of dirt onto his pine casket. I tossed the second. As friends and family stood in line to show similar respect, Annie looked flushed and needed to get out of the blistering Texas sun.

I swung an arm around her tiny shoulders and walked her back to the mortuary's main building. "How you holding up?" I asked, as we sat in a small room where a freshly filled casket awaited its ceremonial turn. It was creepy, but the coolness of the room allowed Annie to catch her breath.

Annie pulled her veil over her head and smiled warmly. "Thanks for being my friend," she said sincerely. Her round cheeks flexed like a bullfrog's throat when she smiled.

"What are friends for?" I said, testing out my best *Ah shucks!* grin. She wrapped her arms around my neck and gave me a peck on the mouth. The kiss seemed innocent enough, but when she didn't remove her arms right away, sweat began to bubble under my pits. "Albert was a good man...." I stammered, and stopped when she pushed

her mouth into mine again. This pecker had more on its mind than consolation as her tongue parted my lips and scraped the roof of my mouth. She tasted good, but I felt odd.

"Isn't it strange how things happen?" she whispered. "Al was here. Then he left. Now you're here." Her hand brushed against my crotch, making my banana grow like wild weed inside my Fruit of the Looms. *What the fuck*, I thought, *funerals are supposed to be a celebration of life*, and God fucking damn it, I suddenly felt alive!

Annie's knees met the concrete floor. With her eyes locked into mine, she unzipped my trousers and pulled my dick into the musty air. She cuddled my cock with her lips, lightly scraping her teeth on its underside. "You're bigger than Albert was," she said. I felt sorry for my dead friend, because I'm barely five inches long.

I broke the long line of saliva connecting the head of my spade to her bottom lip. I picked her up and set her atop the nearby casket, pulled up her dress and slid down her black-lace panties. Her pussy was big and covered with brown fur. I gave the beave a rub for good luck and climbed aboard. Balancing myself on a dead guy's eternal home made it difficult to pull Annie's melons free from her tight dress.

Finally, I buried my nose in her perspiration-drenched cleave. Her nipples were pink like a cow's bunghole and large as milk bottles; the breeze that pricked up her nipples reeked of embalming fluid. My morning oatmeal was making its way up my throat about the same time I slid my dick inside Annie. Her pussy was lukewarm and wet. She wrapped her strong thighs around my ass and, with her heels, kicked my ass like a roughrider.

When there was no more cock to slide inside, I clenched my sphincters to make my prick rise up and bounce against the roof of her pooty. I must have hit the magic G-spot, because the little filly started bucking like a bronco out of the gate. Her ass cheeks slid against the smooth casket, making that sound a basketball player does when sliding on the hardwood floor. The casket began to tip, and we were going down; there was no way to avoid it!

When we hit the concrete floor, I thought for one excruciating second that my boner had broken off inside her. The casket was now on top of us; whoever the fuck was inside must've died a fat

bastard, because it took all my might to push the six-by-three chunk of wood off Annie and me.

"You all right?" I asked.

"I love you," came her strange reply. She tugged on my dick and guided it back into her now-sopping snatch. After my spear hit the target, I was fixing to blow. I pumped so hard my ball sac slapped her asshole. I pressed my hands into her huge bazooms, steadied myself and pulled my cock from her cozy cooze, stroking until my sperm pushed its way to the front.

The first line of white splattered her black veil, which had fallen back over her face. She quickly yanked the fabric aside and corralled my pony with her mouth.

Cum stamped through my cactus, which she was kind enough to catch with her tongue. The sperm mixed with her saliva looked good enough to drink, but she cleared her throat instead and hawked the tapioca spitwad against the shiny wood of the casket. We laughed and quickly dressed to rejoin the funeral.

Fucking Annie took some of the sting out of Albert's death. I know, wherever he is, he watches us with his blessing. Albert would've wanted it this way.

Cream of Dick: Why Women Choose the Men They Do

by Soledad Laks

Priming in front of her bedroom mirror, Jeanette, a 36-year-old ad rep from West Covina, California, prepares to spend another Saturday night prowling singles bars for potential mate material. She pictures the perfect man for her. He drives a Mercedes 600SL, wears Armani double-breasted suits and wields his Gold Card like it's a permanent erection. The thought of this ideal stud adds a motivational anxiety to her cosmetics routine. Jeanette applies base makeup and picks up her lip liner pencil. She puckers her mouth and wishes she looked a lot more like Cindy Crawford. If she could only keep to her Jenny Craig diet, she could once again wear the tight jeans she wore at 25.

Across town, in another bedroom, 35-year-old Jeff combs a dollop of styling mousse through his thinning locks and freshens his breath with mint spray, anticipating an evening scamming cute chicks at the Red Onion, a trendy singles hangout. What

he's looking for is a young, hot babe with big tits and bigger hair, who gives great head and thinks safe sex is uncool. Jeff—a part-time lifter and full-time fitness instructor—makes just enough money to get by. His careful, salon-assisted, full-body tan gives him the appearance of having more leisure time, and, by implication, more income, than he does. He owns one expensive linen shirt and Armani jacket, which he slips on over his bulging physique. Jeff doesn't worry about the flecks of Arrid stick antiperspirant lodged in his armpit hair or the steroid-induced pimples on his forehead. He's confident that he's got what it takes to convince a pretty, young thing that he's cruising the inside track and headed up in the world. He takes the stairs two at a time down to the parking structure, where he climbs into his Mazda hatchback and chugs off to strut his stuff.

Chances are, I won't meet my ideal mate tonight, think both Jeff and Jeanette as they individually enter the same singles bar. But I'll scout the field, consider the options, and maybe I'll choose to make a connection.

Traditional views that emphasize male choice in the mating rituals of the animal kingdom are misguided, says Mary Batten, author of *Sexual Strategies: How Females Choose Their Mates* (Jeremy P. Tarcher/Putnam, 1992). Batten argues that there exists a complementary, and perhaps more authoritative, element in the pairing process of the human species: female choice.

Judging by Batten's hypothesis, it's only natural that when Jeff meets Jeanette, he may try to deceive her into thinking he's richer than he is by bragging and throwing money around, while Jeanette spends her time trying to look younger and more beautiful than she really is, in hopes of tricking Jeff into wanting to lay her. But ultimately, suggests Batten, it will be Jeanette who either makes or breaks the encounter.

"Males are a breeding experiment run by females," writes Batten, quoting from evolutionary anthropologist John Hartung in *Sexual Strategies*.

Hartung's assessment may appear overly dramatic, but males of nearly all animal species dance, prance, fight and do everything they can to get a female to choose them. While males happily mate with whichever female accepts them, the female selects only the loudest, most colorful or most aggressive male for her bed.

"The similarities to human behavior [are] inescapable," observes Batten.

"Men fuck randomly," remarks Rachele, a 23-year-old singles-bar regular whose independent study into the

Bacardi Rum would like consumers to believe its product adds color to life. Unfortunately, those colors are red and green as **HUSTLER** takes a literal approach to the Bacardi ad campaign.

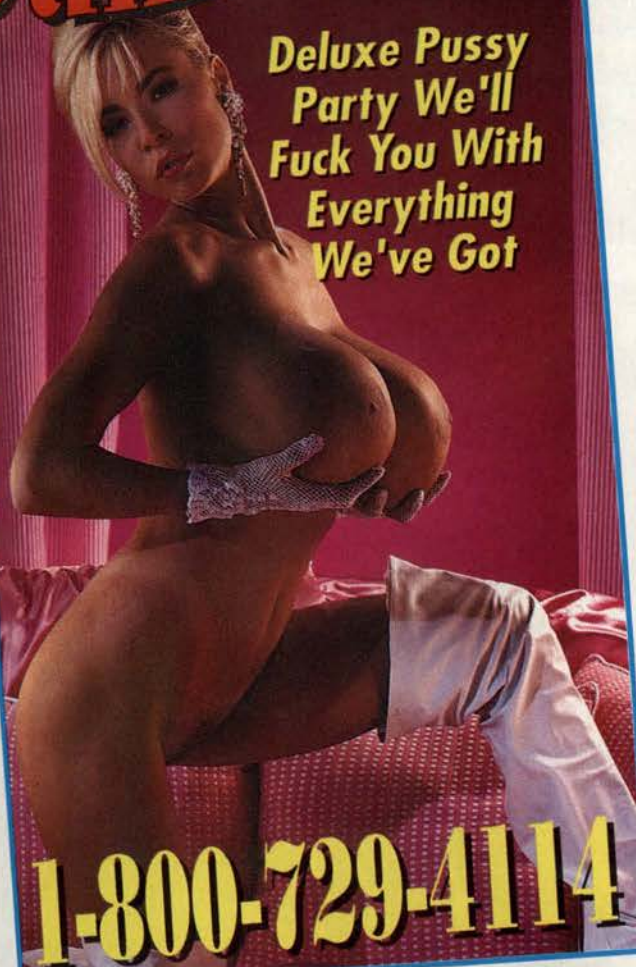

JUST ADD **BACARDI** TO DRIVERS.

More than 1.8 million drivers were arrested for driving under the influence of alcohol in 1991. They were lucky not to be among the 19,900 people killed in alcohol-related accidents. That's an average of one drunk-driving fatality every 26 minutes. The real losers in the DUI game, however, are taxpayers. Each alcohol-related traffic death costs society nearly \$330,000, which means, sober or not, Americans picked up a bloated \$6.6-million-dollar bar tab in 1991 alone. The next time someone's about to drive intoxicated, be a friend; suggest that he stick a gun in his mouth and blow his fucking head off. The money saved will be your own.

Ad Parody. This is not an actual Bacardi Rum advertisement.

copulatory habits of her species confirms Batten's theory. "I blow off nine out of ten guys who want to screw me."

What do women look for in choosing a love partner? In Batten's view, women seek men who promise to be good providers, for the same reason men want attractive, young women—to propagate themselves. Men, says Batten, are especially desirable to women when they appear to be superior parenting prospects; and to be a good parenting prospect, a man must be able to feed, clothe and offer a secure environment for his offspring.

Twenty-year-old Cyd nurses a pink lady at a dance club in Encino, California, while scanning the crowd for boy bubble-butts. "I ain't looking to have kids," Cyd snorts, tugging her tube-top a fraction lower so that the blush of areolae peeps through. "But I've got to admit, when I see a man paying kindly attention to some little shavers, it warms my heart. Let's put it this way: I wouldn't kick a guy like that out of bed."

Batten claims men are basically "polygynous"—that is, their natural urge is to be promiscuous and seek out multiple mates. It is women, in Batten's view, who are chiefly responsible for the evolution of monogamy—the practice of remaining faithful to a single sexual partner.

"Without female direction at some level," states Batten, "it is inconceivable that monogamy would have evolved in any species."

"If he's strayin', he's not stayin'," agrees Tammy, a slim, but busty, redhead who's been single and dating for the past five years, but adds wistfully, "Of course, looking for a guy who's into staying true to a gal is a hard row to hoe in a meat market!"

"The power to charm the female has been in some few instances more important than the power to conquer other males in battle," observed pioneering naturalist Charles Darwin more than a century ago. Since Darwin's time, both charm and aggression appear to have been superseded in human mating evolution. Today more than ever, as a pussy magnet, nothing beats a wad of dough.

Batten refers to a large-scale study led by psychologist David Buss in 1978, in which Buss found that advanced age in men is related to higher earning capacity. Higher earning capacity, in turn, is directly linked to social status, which is to human males what size is to primates as a designator of prowess in competition for female mate selection. Batten's research indicates that women who

express an urge toward older and wealthy men may, in some cases, be acting from a conscious decision to seek security, or from an inborn need to reinforce the breeding process. In either case, the young dude on the make isn't likely to score.

"Women need to recognize why so many of their sex deliberately seek out well-heeled men," cautions Batten. "The risk in this behavior is that they may be computing a man's resources in dollars and cents to the exclusion of the inner qualities that are so important to male-female relationships."

"I like a man who's confident enough not to feel he has to wave his dick in my face," states Deidre, a 23-year-old secretary for a Dallas, Texas, stationary manufacturer. "It's only to be expected that that kind of confidence translates into professional success. Of course, there's different kinds of success. I'm much more turned-on by a self-made man than a guy who's had everything handed to him."

Like she expects a guy to hand everything to her? "I don't get anything easily," Deidre retorts. "Believe me, there are plenty of girls in line for rich guys!"

Women have the most power over a relationship before the moment when they give that special guy the nod. Once she's accepted a man into her life, the typical woman can never again attain such a high degree of control over the couple's dynamic.

"Virtually every woman, at some point in a relationship, fears that her mate may be using her for sexual gratification, [or] that he may desert her for another woman," cautions Batten. "Men, on the other hand, fear that women are out to manipulate and control them."

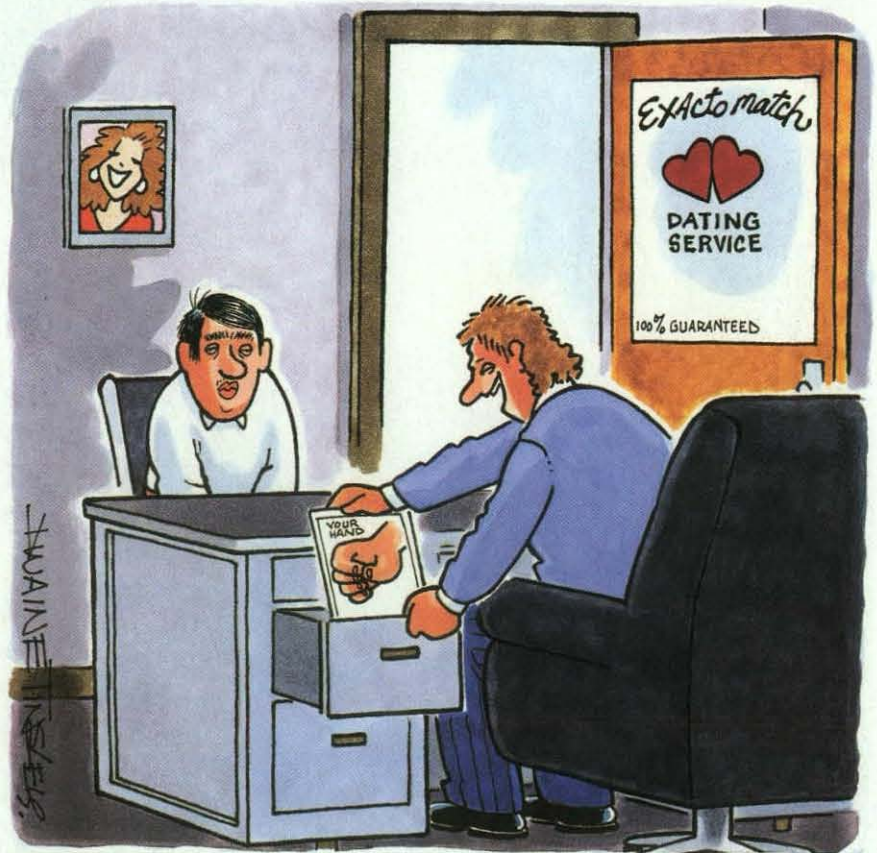

"Just because I give a guy the benefit of the doubt, there's no guarantee that I can trust him," states Sofia, a 28-year-old veteran of the dating game. "That's why I go for generous guys. If they buy me stuff, at least I know for sure what I'm getting out of the relationship."

"When women acquiesce in their own domination," states Batten, "it is because they want the resources of high-status men."

Given the power of feminine choice, chances are Jeanette will still hedge her bets, hitch her push-up bra a notch higher and claim she was born in 1960, not 1957, which is the actual year of her birth. Jeff will brag that his plans to market a workout video starring himself are on track, and that he'll soon be trading his Mazda for a Lexus.

"Wanna go for a spin?" he'll ask Jeanette, as she looks him over. "Might be the last time I'm driving this junker."

Once again a wet spot will bring the two sexes together. As lipsticks push up out of their tubes and credit cards slide into their slots, the timeworn tradeoff goes on. 🍷

BITCHES

A fascination with an evil bitch is akin to flirting with a rabid, HIV-positive cobra, except more dangerous. The evil bitch's castoffs end up on Death Row.

Steve Slug doesn't know what hit him. He sits behind the wheel of his car and imagines her smooth thighs gently cossetting his neck. Her glittering smile and a lascivious wink flash in his mind's eye, which next focuses on the bee-stung fullness of her nectar-swollen lips as they slip a wet massage down the length of his penis. Her pussy opens into a pink bloom of anchovy paradise, and his visualization floods him in a sensation more intense than actual experience. Her voice whispers in his ear, carrying the lilac scent of her breath: "Steve, I've never come with anyone as much as I come with you."

Her sweet tones are abruptly shunted from his head by the blare of automobile horns. The light has turned green, and Steve Slug is sitting there with his dick in his hand. His devoted sweetheart has gleefully cut him off with no warning, and he doesn't know whether to move on or put a bullet through his brain.

Granted, Steve is an idiot and a pussy to let a simple sadistic bitch rain on his parade, but don't judge him too harshly. Any man's life that's worth living will eventually cross

paths with a bitch. There's no avoiding them, if only due to their sheer multitude. Says Chris Louse, author of *Bitch Like Me: A Crossdresser's Report on Ladies' Room Cat Talk*, "There are as many kinds of bitches as there are diseases of the digestive tract, but just like sick shit always stinks, bitches have all got some things in common too."

BITCH VARIATIONS AND CONSTANTS

1. Rich Bitch: The primary defining characteristic of a rich bitch is that she has a lot of money. Some of them were born with ample cash reserves; most bleed fiscal health out of a hapless sap via alimony, blackmail or some other form of feminine extortion. According to bitch expert Chris Louse: "The rich bitch has the longest career expectancy of any bitch type. Other bitches rely on their sexual allure to snare mooks; the rich bitch stretches out her active period with the lure of long dollars."

Characteristic Shared by All: Whether she comes from wealth or poverty, a bitch always has expensive tastes. Relates Allan Pigeon, a magazine executive whose buying power exceeds his brainpower: "I've had

more experience with bitches than most people could live through, and I've never seen one who wasn't able to pick the most expensive item off any restaurant menu, then leave it half-eaten."

2. Beautiful Bitch: Eric Capon, whose TV-movie script *Bitch Head Revisited* is the object of a bidding war among three major networks, believes: "If a woman is beautiful, she has the tools to be a bitch, and none of them can resist toying with it. However," he posits, rubbing a tear from his eye, "once you've been run through by a beautiful bitch, you know the difference between a dabbler and a mainliner. Endowing a bitch with beauty is the cruelest joke God ever played on the male gender."

Characteristic Shared by All: Whether she's gorgeous, cute or almost homely, a bitch always comes equipped with superlative fuck skills. "At least until you're hooked she does," clarifies Dave Worm, executive director of Bitches Anonymous, a support group for schmoes who have been left holding the blue-balled bag by a coal-hearted woman. "Standard bitch M.O. is to initiate sex as though it's a free-and-easy exchange with no power trips. This ploy is difficult to resist. Woe be to the chump who falls for it. Fuck-ing is her lever to throw his entire universe out of orbit."

3. Crazy Bitch: The allure of the crazy bitch is difficult to explain in a way that allows her victim to retain any self-respect. The crazy bitch cannot hide the fact that she is insane, or that her mental imbalance hinges upon her volatile sexuality. The crazy bitch is a walking danger sign, and yet: "It bothered me that her eyes were never looking in the same direction at the same time," confesses magazine Allan Pigeon. "But I figured, *What harm can there be in a simple kook?*"

"A bitch is never simple," promulgates *Bitch Like Me* author Chris Louse, "especially not a crazy bitch."

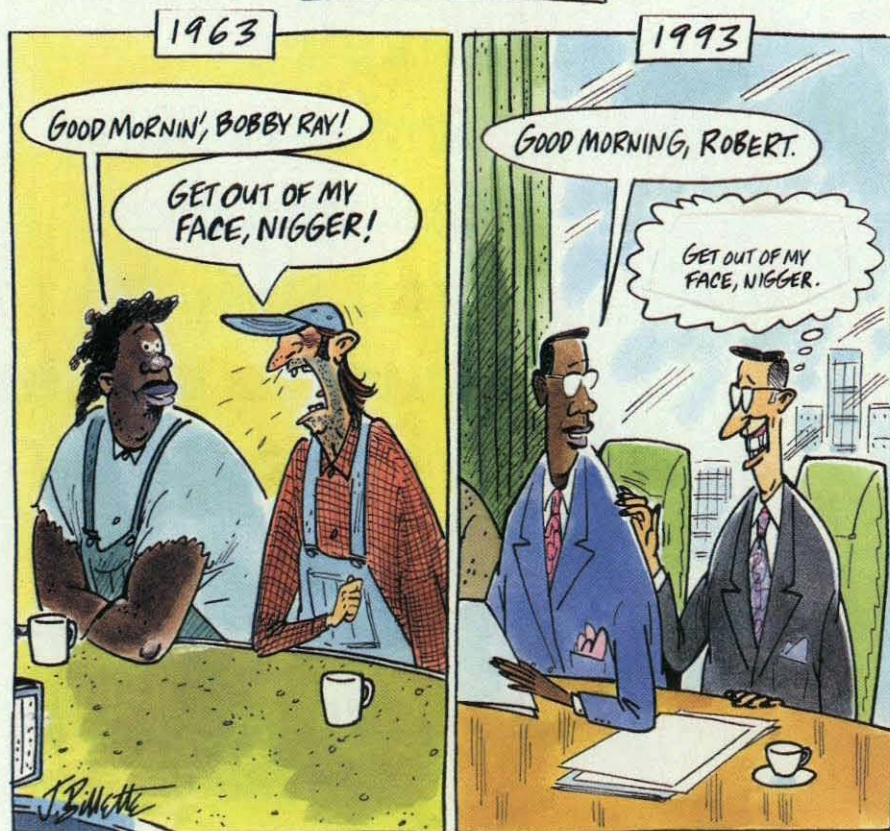

Allan Pigeon's wacko bitch played true to Louse's rule. After a round of horizontal twister, she ran through a rapid cycle of seven distinct personalities, each with its own separate agenda for her prey. When Pigeon objected to minor details of her plans, she became hurt, comforted, possessive, detached, angry, happy, abusive, forgiving, accusatory, apologetic, combative, aroused, repulsed—in short, psychotic.

"I'd hoped for a freebie off a harmless nut," recalls editor Pigeon. "I got a nightmare of stalking, ranting on my phone machine and restraining orders. Finally, I pawned her off on Michael Cockroach."

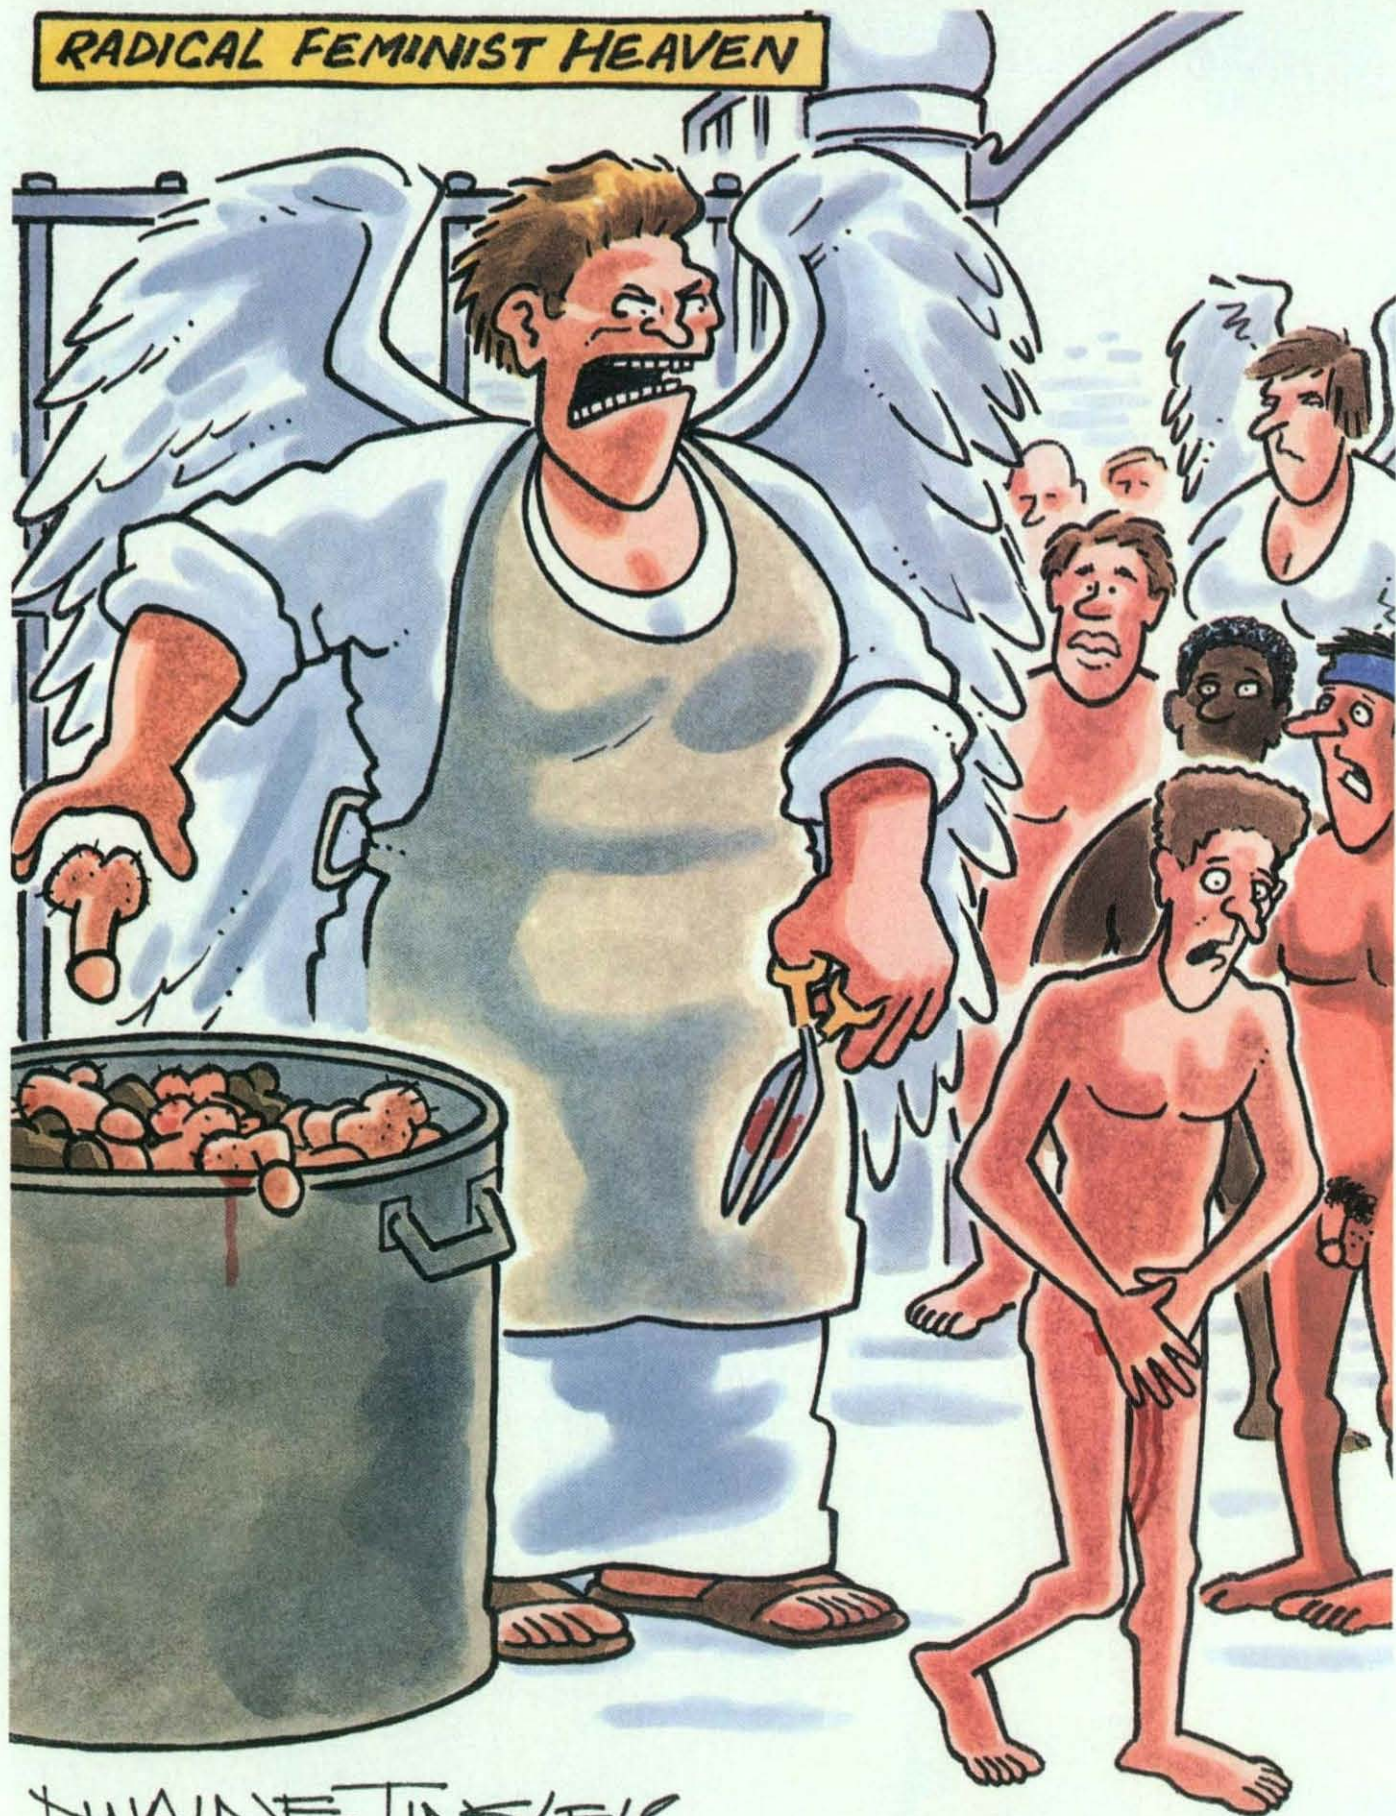

Characteristic Shared by All: Every bitch who sloughs a menses has intervals of insanity, and no bitch ever goes crazy for nothing. Warns Dave Worm of Bitches Anonymous: "We see the damage all the time. These women have an extra hormone

that men don't have. It allows them to become completely sociopathic at will. In this altered state, a bitch will lie, steal, go into hysterics, become physically abusive. When the mood passes—about ten seconds after she gets what she wants—she'll expect her boob to apologize."

4. Evil Bitch: A fascination with an evil bitch is akin to flirting with a rabid, HIV-positive cobra, except more dangerous. The evil bitch's castoffs end up on Death Row, having committed capital crimes at her bidding; the men she keeps often rise to positions of prominence, the better to satisfy her maleficent cravings. "Behind every monstrous asshole," pontificates TV writer Eric Capon, "lurks an evil bitch who's sucked the being out of him and filled his shell with her own hate-mongering will. Hitler, Stalin, Reagan, Maury Povich—zombies under the control of an evil bitch."

Characteristic Shared by All: A bitch is fundamentally hostile, particularly toward men. "Many don't know themselves how angry they are at men," explains expert Louse. "They like to get fucked; they don't like men. They disguise this gender animosity, as best they can, from their own consciousness and from prospective victims by being solicitous and flirtatious; but

once the dynamic turns, and she's in control, she exacts a vengeance for every nice thing she ever did for the fool. Never accept a favor from a bitch."

5. Innocent Bitch: Ask any forensic chemist: The sweeter the poison, the more excruciating the pangs of remorse, bewilderment, anger and hate when the venom enters a chucklehead's bloodstream. After 16 months of intensive, 90-proof therapy, traffic casualty Steve Slug is able to talk about the insidious force that immobilized him: "She was like a psychic silent fart," he mewls, gagging on his own analogy. "Every time I smelled something fishy, she'd shift the bed covers and blame any stray odors on her cats. Everything on her surface was sugary and fragrant. How was I to know she was rotten at the core?"

Characteristic Shared by All: "At first she seemed like she'd be worth any trouble she might cause," whimpers publishing honcho Pigeon, demonstrating a primary principle of bitch studies, "but she ended up being way worse." The rule: If a bitch is anything, she is tempting; but don't expect any bargains.

Some Bitches Not Worth Mentioning: The old bitch. The ugly bitch. The frigid bitch. The male bitch.

FUN WITH BITCHES

Just like heroin and Russian roulette, consorting with bitches has its positive attractions. "We may be wild," asserts Matilda Coochie, hostess and producer of the bitch-intensive cable-access talk show *Who You Callin' Bitch*, "but we think we're worth it. Look at what all a bitch has to offer!"

1. Show Her Off in Public: Italian sports cars, Swiss wristwatches, English tailoring—the man of the world can possess the finest baubles of every nation and still choke with envy at the sight of some trailer-park bitch. "The bitch is the preeminent equalizer," drones Michael Cockroach, who has been without one for so long that he is becoming one himself. "You get more respect walking into a hostile room with a bitch than you do with a gun. But that won't help when you need to shoot yourself in the head."

2. Sex: Bone aerobics are the best part of any association with a bitch. Bitches shine in bed, and the glare often deflects scrutiny of defects that would be obvious to a blind man. "I don't see how she did it," says wide-eyed exec Allan Pigeon. "She contorts herself into a libido pretzel, convinces me that I'm the incredible one, and still retains the concentration to sift through my wallet for my ATM cards and PIN numbers. I wish I could get my hands on her again—and that she would put hers on me."

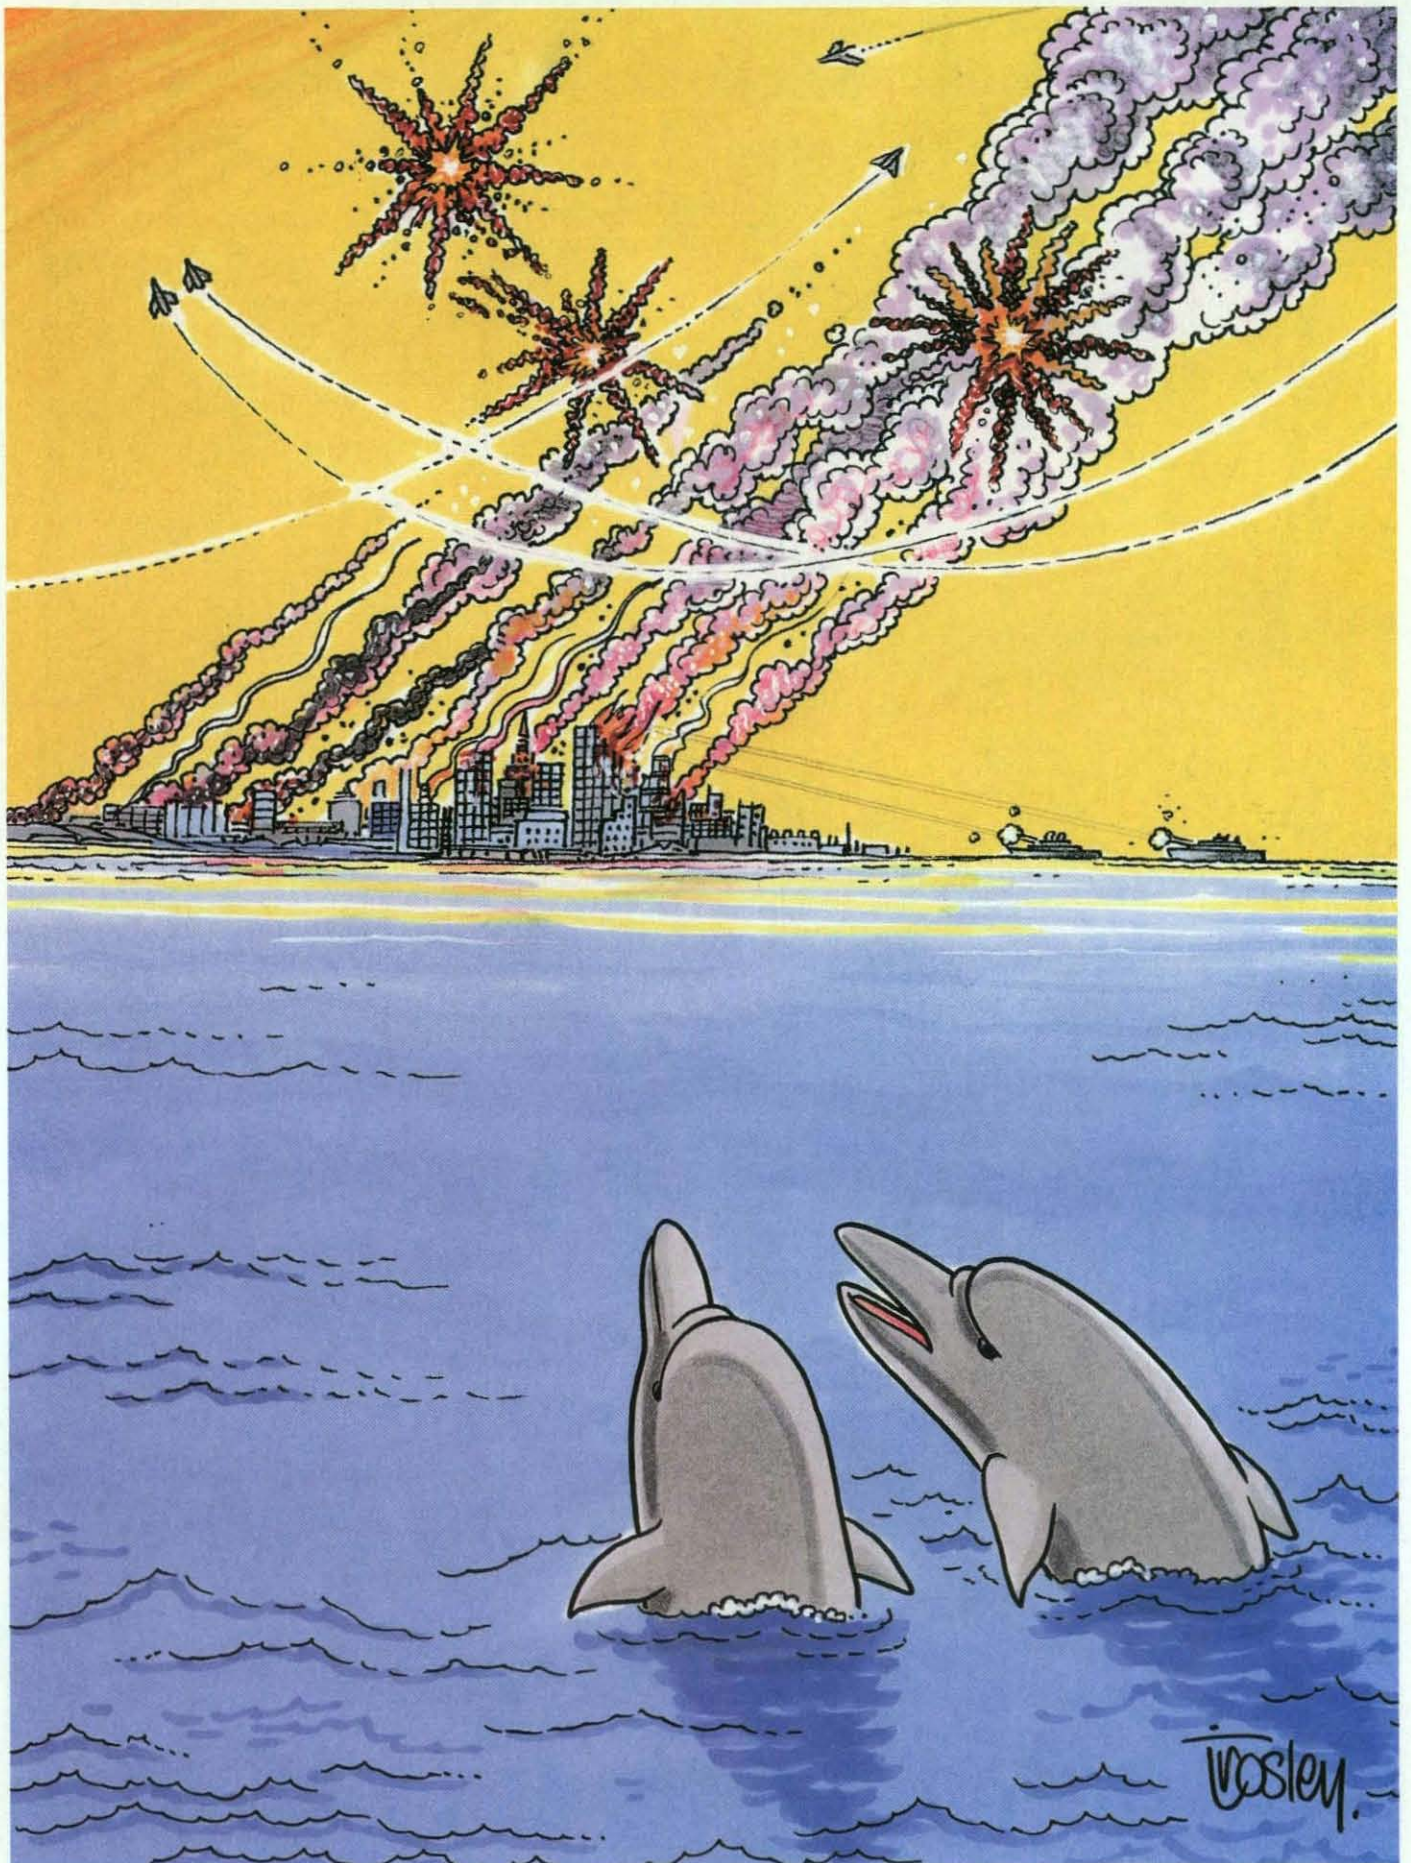

"An important point," points out bitch researcher Chris Louse. "Sex with a bitch is more about hostility than anything else. Be sure to capitalize upon that emotion."

3. Humble Grown Men Vicariously: Once she's shared her flowing orifice, a bitch will pour out juicy details about men she has ruined in her past. Eric Capon, of *Bitch Head Revisited* fame, has tasted of the bitch's sweet ire. "She'd say things like, 'Michael was so immature. I cut him off, and he decided he had this huge crush on me,' or, 'Dave still comes around to see me. He wants some kind of reassurance.' I'd think, *What a pair of assholes those guys are*. And there I was, fucking this chick who'd made losers out of them. It was great. A bitch who hated the world adored me, but my time was coming. I try not to wonder how she describes my weak attempts to hang onto her to her current patsy. He'll know soon enough."

4. Learn About Life's Finer Consumer Items: "I never knew how far I was from being rich," fesses bigwig Allan Pigeon, "until a recent bitch started talking shopping. Her closet was full of \$600 shoes, and she hadn't worked in 18 months. That woman was an education. My credit cards were my tuition."

does it hurt? Primarily in four areas, which, when taken together, add up to everywhere.

1. Dollar Depletion: An inverse correlation exists between money and bitches. "I never thought of myself as a big spender," bemoans magazine pooh-bah Allan Pigeon, "and I'm indebted to the bitches of my life for proving me otherwise. Unfortunately, I'm indebted to [notorious loan shark] Teddy the Refrigerator as well. I wish I could say, 'Count me in,' for more, but my creditor won't allow it."

2. Sexual Confidence: Dave Worm cites erection crisis as an aftereffect of bitch trysting. "Bitches Anonymous is full of half-men whose belief in their own boners has been gutted by the half-truths, prevarications and outright lies of bitches. The syndrome goes: She seemed to like it okay while I was sticking it to her, but she fooled me about so much else. Self-penis-doubt sufferers retreat behind shields of masturbation or abstinence and forsake pursuit of a new partner. I could use reassurance myself."

3. Concept of Femininity: "What I learned about bitches hasn't altered the way I feel about women at all," asserts anthropologist-of-sorts Chris Louse. "There's always been a war between the sexes. I pinch my dick, and I know whose side I'm on. Don't blame me for

all the misogyny in the world. Blame the bitches."

4. World View: Michael Cockroach is in the process of redying his black hair black. His windows are painted black. His TV screen is painted black. His toilet and his kitchen sink are black also. "I don't think I'm overreacting," he argues. "Everything that seems good or pure or offers comfort in this world has been tainted and spoiled. Evil is ascendant. God, please, make her return my calls!"

BITCH SAFETY

Forewarned may be forearmed, to some extent, but as long as testosterone influences the decisions of otherwise capable humans, men will continue to be gill-netted by bitches. It is impossible not to sustain harm from bitch contact; damages, however, can be minimized.

1. Have a Clue: "How does she treat her friends?" rhetoricates *Bitch Like Me* penster Chris Louse. "Is she warm and loving to her family? Are her feelings for her ex-boyfriends free of contempt? Bitch indicators are always present, except to the dope who's got his nose too far up her ass."

2. Lie to Her: Lie about everything—big things, little things, things that matter

and things that don't. Every lie that she believes takes a tiny portion of the sting out of all the lies she has passed off as they come, one by one, to light.

3. Do Two Bitches at Once: If a bitch jones is worth indulging, it is worth over-indulging. "The optimum bitch involvement," pitches Bitches Anonymous's Dave Worm, "is to fuck two bitches at once. The double arrangement makes it easier when the primary bitch is revealed to be fucking her dork's most hated competitor behind his back."

4. Scout a Replacement Bitch: Eric Capon, whose qualifications for TV writing include the inability to get enough of a bad thing, admonishes: "Keep an eye out for the next bitch. Find one among the first bitch's circle of friends. They run in packs, and to a bitch, the only betrayal more gratifying than gutting a man is to bitch off another bitch."

BITCH RECOVERY

Getting over a bitch is simple, but not easy. The two primary essentials of recovery are:

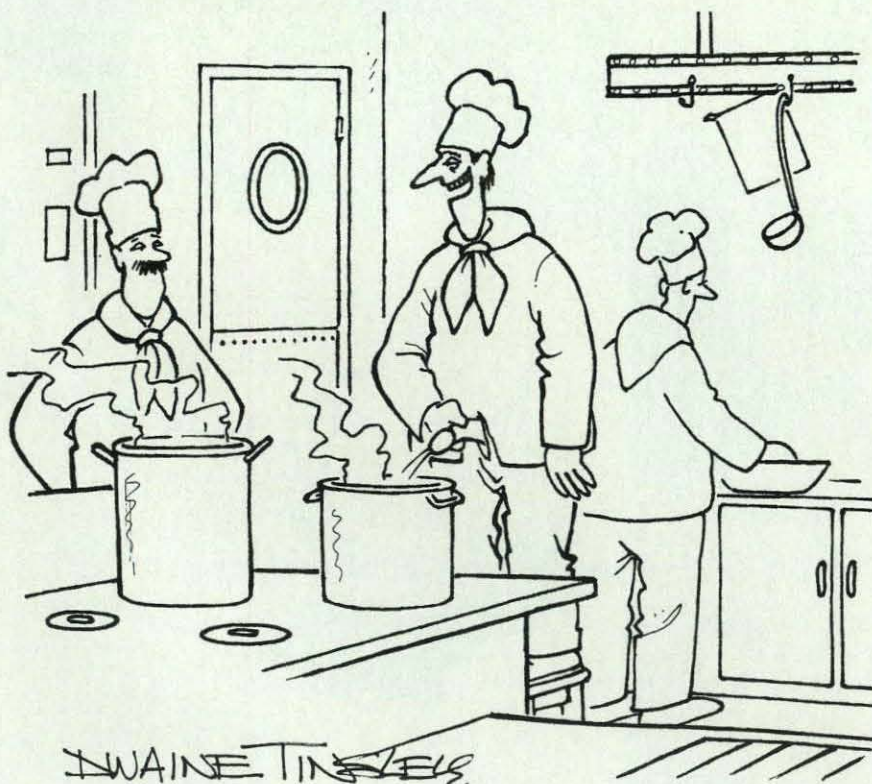

1. Zero Contact: Don't call her. Don't hang around where she hangs around. Don't send letters explaining everything. Don't allow friends to mention her name. If she enters the room, refuse to admit that she has not evaporated from the face of the earth.

2. Remove All Reminders: Photographs, love notes, gifts from her, items purchased together, her phone number—directly to the dumpster. Did she leave behind a cuddly puppy or a cutesy kitty cat? Strangle it.

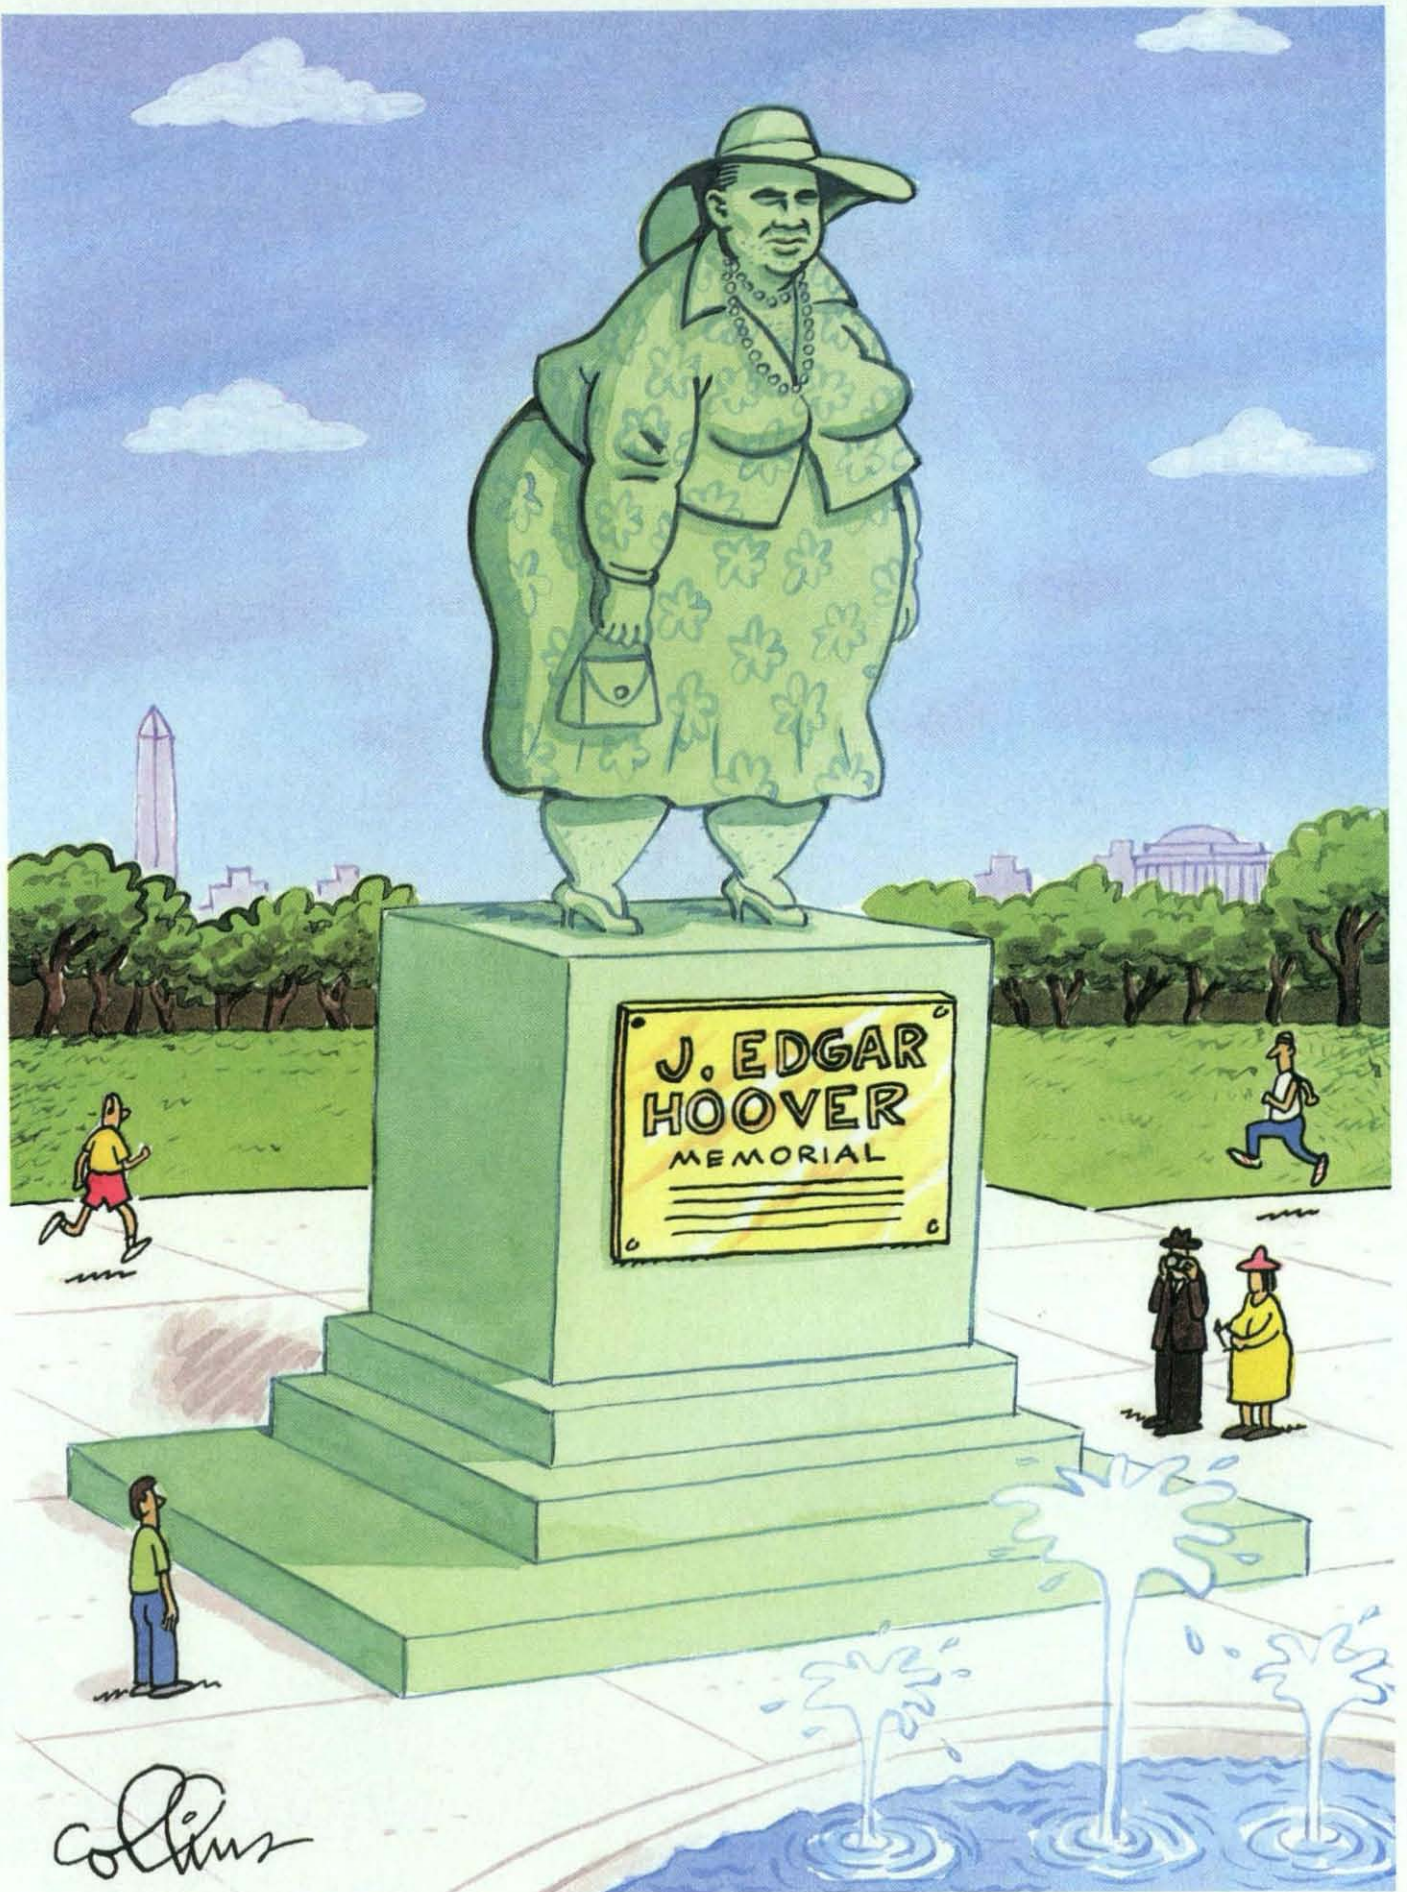

These measures may seem extreme, but a cautionary tale attests to their necessity: After months of doggedness, Michael Cockroach pursued the bitch of his dreams into her bed, only to be tossed out on the other side. Rather than banish all remnant of her, Cockroach transformed his environment into a shrine to her spoor, plastering the walls with portraits of her, playing "their" songs day and night, burning her name into his arm. Proposing to be "just friends," he moved into an apartment directly below hers. He hunkered downstairs, his ear to the ceiling as she brought her next dupe-to-be home and fucked him vociferously on the creaky bed above. His heart sank; his stomach ate itself with twin acids of desire and disgust; the light of his soul dimmed. Eventually, Cockroach befriended Steve Slug, after the bitch had spiked Slug's heart. To this day, the two dolts crouch below the telltale bedsprings as the bitch gloats overhead, thumping a fresh bone as loudly as city ordinance permits.

"That sound you hear," elucidates Dave Worm, "is the pathetic harmonizing with the miserable. We try to play a different tune at Bitches Anonymous."

But not every man whose throat has been slit is able to sing along. 🐸

"I love feeding the rich!"

MINISTERS

The minister hacked up Matheny's body, sliced off a few patches of skin that bore tattoos, then lopped off Matheny's head.

On June 15, 1987, Reverend John David Terry, 43, of the Emmanuel Church of Christ Oneness Pentecostal in Nashville, Tennessee, slipped silently up behind 32-year-old church handyman James Matheny and pumped a bullet into the young man's vitals.

Having accumulated \$50,000 in stolen church funds during his 20 years of church service, Pastor Terry had decided to abandon his parish and his wife by faking his own death. The minister hacked up Matheny's body, sliced off a few patches of skin that bore tattoos, then lopped off Matheny's head, which he later dumped in nearby Lake Barkley. Finally, the cleric dressed his parishioner's corpse in his own clothes, wrapped it in a carpet and torched the chapel.

The arson fire gutted the church building. When the scorched bundle of carpeting was unrolled, investigators assumed the decapitated body was the minister's. Matheny remained the prime suspect until medical examiners managed to identify his remains.

On September 25, 1988, having been arrested, tried and found guilty of first-

degree murder, the homicidal faith healer was sentenced to death by electrocution.

Today, Reverend John David Terry waits for hell on Tennessee's death row.

"Priests are human," says Roman Catholic Deacon Richard Hamm of Los Angeles, urging a temperate view of ministerial wrongdoing. "They're just like us, [with] free will and feelings. When they fall down, it's just devastating to the people who've put them on a pedestal."

"It is a temptation to say that the clergy are no different than anyone else," counters Dr. John Orr, Chairman of the University of Southern California's School of Religion, "but in fact they have selected a profession that everybody [considers] a role model. I think those higher standards should apply to the clergy."

However lofty the calling for servants of God, evidence suggests the ministry harbors more criminals than any other single occupation.

•In February 1992, preacher Glen Summerford of the Church of Jesus

Following Signs near Scottsboro, Alabama, was accused of trying to kill his wife with bites from poisonous snakes he used during his church services.

•Pastor Calvin Green brutally murdered fellow pastor Robert Wesby, 61, of the Progressive Baptist Church in Aurora, Illinois, on July 22, 1988. Green, 29, struck Wesby 25 times with an ax, and left his hacked-up remains lying near the church altar.

•On February 28, 1992, Father Charles Brown, an Old Catholic priest in Chicago, was convicted of hiring a hit man to kill three people who were to testify against him after he was accused of sexually assaulting three young boys.

When personal demons become irrepressible, pious behavior can no longer camouflage malevolent intent.

Deacon Henry Meinholz Jr. preached and taught Sunday school at the First Baptist Church in Plymouth, Massachusetts, where his wife, Jane, was the organist. First Baptist parishioners considered Meinholz warm and outgoing. He was a 22-year veteran of the Navy, a devoted husband and a caring grandfather with two grown daughters.

"[Deacon Meinholz] loved kids," recalls First Baptist parishioner Kim McDonald. "At the church, all the kids would run to him."

Meinholz harbored a secret evil: a sexual obsession with adolescent girls. The 52-year-old deacon secretly followed school buses around his hometown of Kingston, Massachusetts, masturbating while watching young girls board and exit the bus.

Finally, in the late afternoon of September 15, 1990, the Sunday-school teacher's tortured soul succumbed to its twisted desires, and Deacon Meinholz abducted, raped and strangled his next-door neighbor's 13-year-old daughter, Melissa Benoit.

News of the young girl's disappearance shocked the small community. For 11 days, search parties numbering up to 200 combed the woods and wetlands near her home.

Pastor Meinholz seemed "really upset" when Melissa disappeared, related Amber Collins, a friend of Melissa Benoit. "He was down there searching with everyone else. He was very close with the family."

On September 25, after having been interrogated by the FBI, the deacon finally revealed his perverted history to his wife.

"It started out very innocent, nothing sick, but then he started gushing out things," Jane Meinholz reveals. "He

HUSTLER HUMOR

As the bus pulled up, Angie realized she was going to have a difficult time getting aboard. Her dress was too tight for her to step up, her hands were full of packages, and the line of people behind her did not seem to be in a charitable mood.

She realized that the best thing to do was to try to loosen her dress; so, with great effort, she stretched her hand behind her and pulled the zipper down halfway. When that didn't seem to help, she pulled it down the rest of the way.

Just then the bus pulled up and, still unable to ascend, she was both shocked and offended when a man standing behind her picked her up and put her on the bus.

Turning, she growled, "What right did you have to touch me?"

The man climbed on and said, "After you pulled my fly down, I kind of figured we were good friends."

Question: Why do female WASPs have so many crows' feet?

Answer: From squinting and saying, "Suck what?"

A man, quite inebriated, was coming up the stairs late one night when he fell all the way to the bottom. Not wanting to hear his wife's incessant bitching, he went into the john to make the necessary repairs to his head.

The next morning, his wife nagged at him as usual. "Well, you came home drunk again, didn't you?"

"No way," he lied. "Whatever gave you that idea?"

"Simple," she said. "If you weren't drunk, why is there a Band-Aid stuck to the bathroom mirror?"

The conductor was hard at work on his podium when he heard severe disharmony from the cello section. Stopping the orchestra, he glared at the lady cellist.

"My dear madam," he snapped, "you have a magnificent instrument between your legs. Must you sit there and scratch it?"

A minister had a habit of sneaking off to play golf on Sunday afternoons. Gabriel and Saint Peter, watching from above, were a little concerned.

One day they decided that the minister should be punished. To that end, Saint Peter told Gabriel he would take care of it the following Sunday.

That Sunday, when the minister teed off, the ball went straight down the fairway, landed on the green, and then rolled a few yards right into the hole.

Gabriel asked, "What kind of punishment is that?"

Saint Peter smiled and replied, "Who's he going to tell?"

The HUSTLER Dictionary defines *Congress* as: a body of individuals who can do nothing on their own, but who can get together and decide that nothing can be done.

Learning that he had a rare disease for which the only cure was mother's milk, Buzz took out a personal ad to find a nursing mother. Much to his delight, a woman responded almost immediately. After agreeing on a price, he went to her apartment.

As it happened, Buzz had especially soft lips and a swift tongue, and after a couple minutes of nursing, the woman was beside herself with passion.

"Is there anything else I can offer you?" she panted.

Smiling, Buzz replied, "If it's not too much trouble, do you happen to have any Oreos?"

Did you hear about the young man who was half-Jewish and half-Catholic? When he went to confession, he took his attorney along with him.

Camping by the American River, a woman was surprised to see a man rowing down the river screaming, "No! No! No!" Spotting another woman down the shore, she ran over.

"Hey!" she shouted. "Shouldn't we do something to help that man? He seems to be in some kind of trouble."

The other woman looked up, her expression bland. "Oh, he's my husband, and he's all right."

"If he's okay, why is he rowing down the river screaming 'no'?"

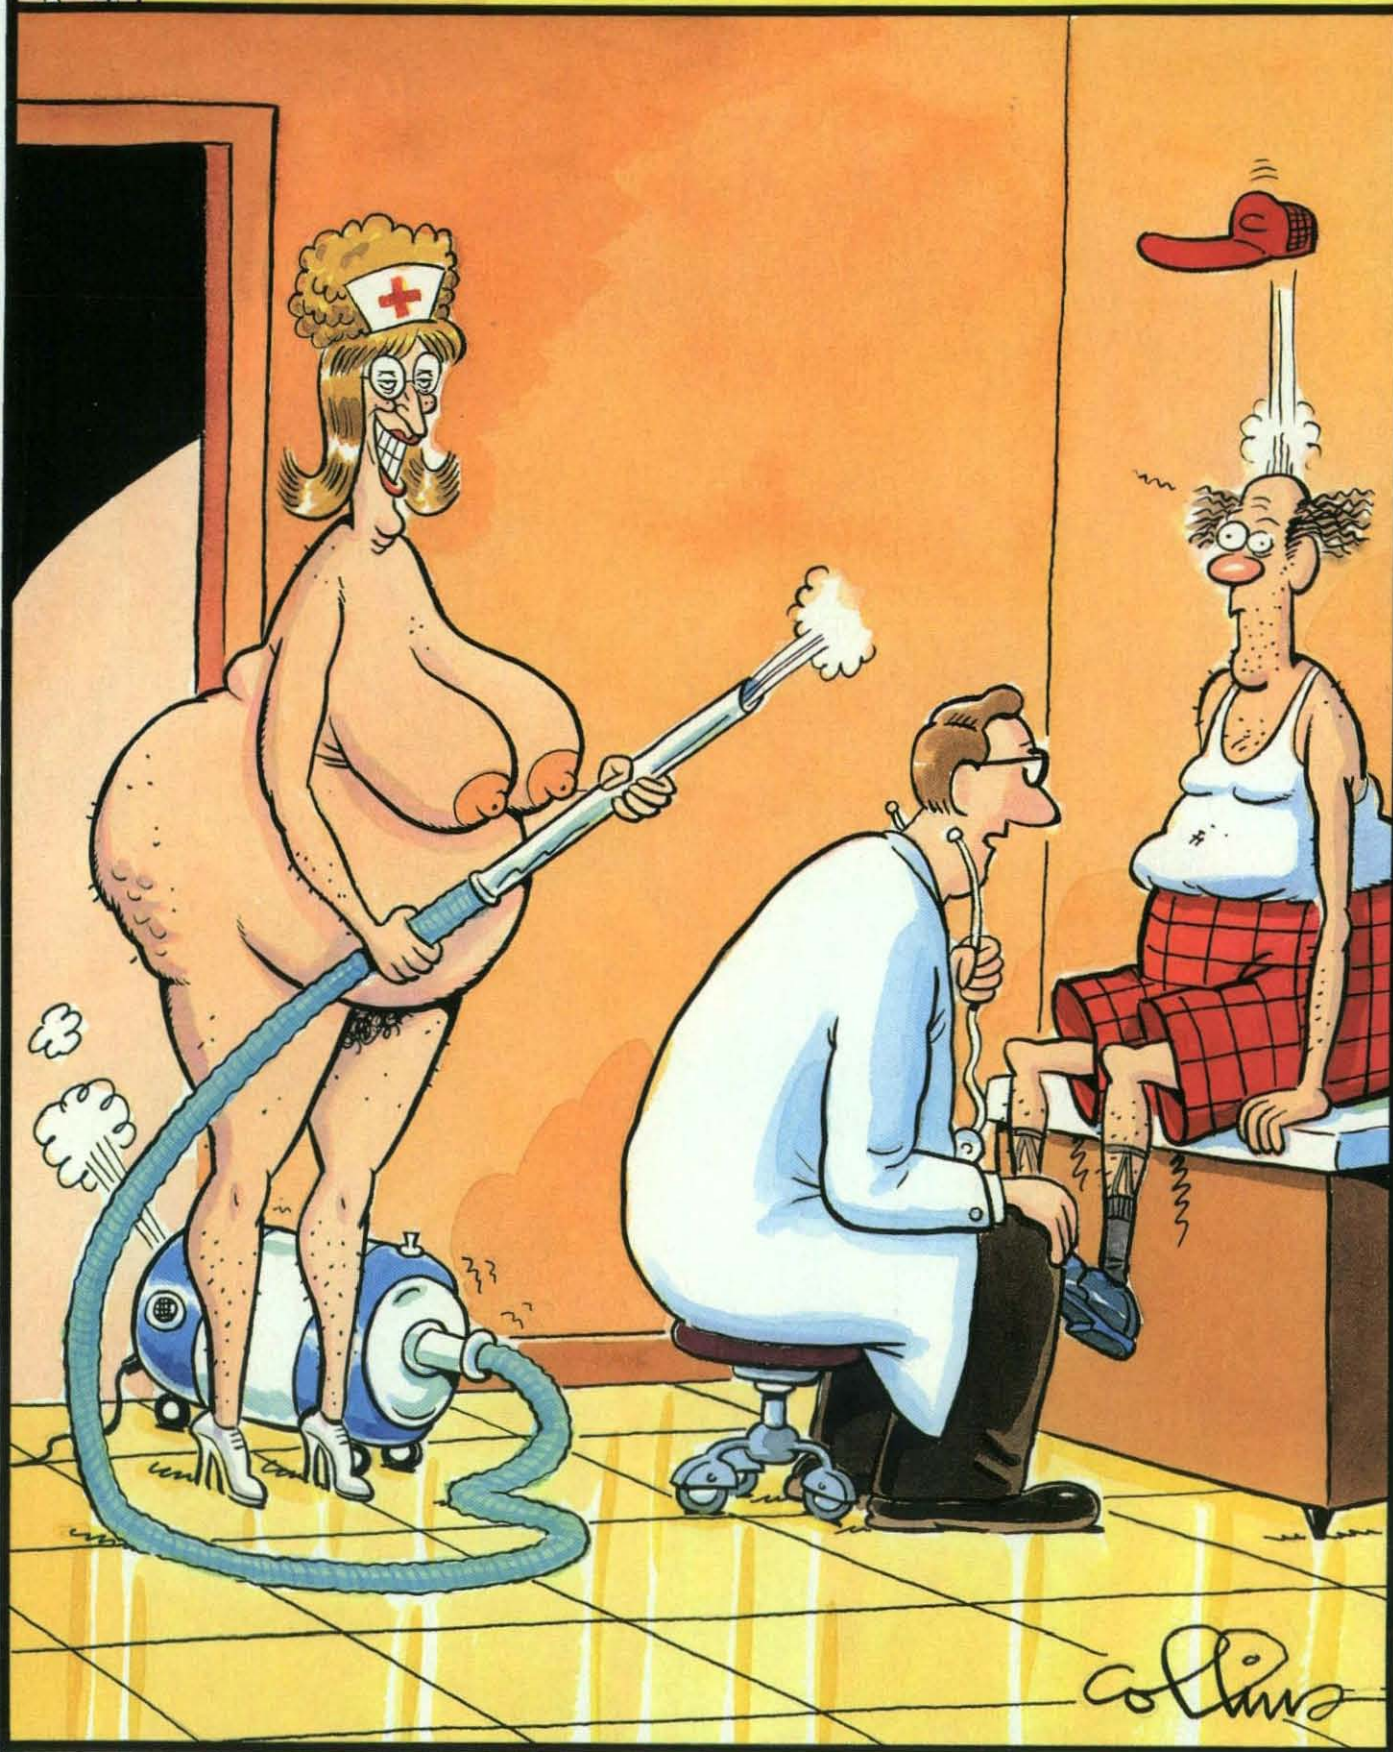

The other woman smiled. "From Monday to Friday he's a corporate yes-man."

Raunch Review by Seth Roberts

FETISH

"Stick out your tongue, bitch!" Ryder orders. "I want you to lick my asshole."
Lia, in no position to argue, cleans the residue from Ryder's sphincters.

Holly Ryder wants an enema. Bruce Seven dons rubber gloves and finger paints vaseline onto—and into—her winking butthole. Mr. Seven (as Ryder respectfully calls him) gives her granite ass a spank and slides the white nozzle easily into the brown target. As warm water cascades into Holly's colon, Seven whips her rump like a jockey in a sprint for the finish line. When he reaches the winner's circle, the nozzle is removed.

"May I go to the bathroom?" Ryder whispers.

"Yes, you may," Seven nods. "Then go to the dungeon. Lia is waiting."

Lia is a raven-haired debutante with sharp, brown nipples that protrude half an inch from her A-cup titties. Ryder gives them a cruel twist. Lia would gladly return the painful favor, if her arms weren't bound in a Jesus Christ pose to a hanging metal bar. Ryder selects a two-foot slab of black leather and cracks the strap against Lia's clitoris, forcing a pathetic series of whimpers from the bound woman's lips.

"Open your mouth!" Ryder barks.

"Why?" Lia whines.

"Because I'm going to shut you up."

Ryder fills Lia's gaping gullet with wadded-up, peach panties and unfastens the girl's arms. A sturdy piece of rope now binds Lia's wrists behind her back, extending down between her butt cheeks, up through her pussy's fleshy trough and fastening around her neck like a noose. Ryder retrieves the panty gag, straddles the face of her kneeling slave and spreads her own butt apart.

"Stick out your tongue, bitch!" Ryder orders. "I want you to lick my asshole."

Lia, in no position to argue, cleans the residue from Ryder's earlier, unseen sphincter expulsion.

"Now I know why Mr. Seven keeps you around," Ryder laughs derisively.

—*Blind Innocence* (Seven Productions)

"I enjoy making bondage tapes [much more than straight fuck movies]," states superstar Ryder, a veteran of both. "With bondage, the climax isn't the only thing to watch for. It's the entire process of getting there—the whole psychodrama—that's exciting."

Bondage is one of a sleazy slew of kink

ventures available to today's video enthusiast. Such formerly taboo obsessions as enema use, foot worship and girl/girl combat have burst triumphantly into the porn-vid arena, to the delight of every dick looking for a fresh twist to spew to.

"A lot of these fetishes—spanking, whipping, humiliation—are a variation of some sort of childhood experience," says Dr. Susan Block, a sex therapist and hostess of a nationally syndicated radio talk show. "Perhaps the submissive player in a domination scene was often sick as a child; thus he associates all loving acts with pain, because when he felt pain, nurses and his mother took care of him. On the other hand, wanting to dominate sexually may be a desire to get control over something in your life or over a person who may seem unattainable. It's a universal feeling, the desire to have power over someone." Or maybe torture just gets dicks hard and cunts wet.

A ruby welt rises on Kym Wilde's naked ass. It seems a harmless blemish at first, but then it bubbles near bursting under the strain of a leather whip in the hand of P. J. Sparxx. While the birds in the nearby Hollywood Hills sing an afternoon serenade, the leather strap lashes again into Wilde's previously white flesh.

Slllaaap! "Do you like that, bitch?" barks Sparxx.

"Yes, Mistress," Wilde half-heartedly confirms. The domineering blonde grabs a handful of Wilde's brunet mane and hurls her headfirst into a swimming pool.

Wilde surfaces, gasping for air.

"Get the fuck out of there!" Sparxx demands, politely assisting her by pulling Kym's goose-bumped nipples until her breasts look ready to pop. Back on dry land, Sparxx drags her victim along the textured cement deck. Purple bruises emerge on Wilde's knees.

The scene shifts to a shower, where Wilde, according to her mistress's orders, holds out her meaty tongue for Sparxx to suck like a stiff cock. When Wilde pulls away, Sparxx gives her slave a hearty, open-handed slap across the face.

"You're a good bitch!" Sparxx beams.

—*Kym Wilde Sessions, Number One* (Redboard Video)

"There's been times when I've been beaten so much, I got light-headed and felt high," Wilde chuckles on the set of her first *Sessions* shoot.

"I've passed out twice after a serious whipping. I just lose all sense of where I am. That's very exciting to me."

"Oh, shit! Is it the 15th of the month already?"

FETISH

Once his prey is secured, the man takes liberties with Monroe's titties, giving each a painful slap before moving to her splayed cunt.

Before potential kinksters start converting garages into dungeons, Wilde warns to proceed with caution into the world of weirdness.

"These movies and acts aren't for everyone. It's important to know your limits," she stresses, rubbing white cream into her beet-red butt between takes. "I happen to like bizarre stuff. I just did a movie called *Ocean View* [Bon-Vue Productions], where I was suspended horizontally from the ceiling with my legs spread. Candles were burning underneath me; so I had to keep arching my back so the candles wouldn't burn me. Finally [the dom] burned my underwear off and dripped candle wax all over my pussy. That was incredibly erotic!"

Bondage tapes such as the *Kym Wilde Sessions* add a dimension of sensuality to the sadomasochistic genre that was lacking in earlier American bondage releases. Today's fetish entrepreneurs are proving that what is sexy can be just as stimulating as sex.

"I would love to make bondage movies that also have explicit sex,"

Wilde bemoans. Unfortunately, the federal government finds the two things together offensive.

"By law, bondage tapes can show no penetration or cum-shots," explains E. Z. Ryder, marketing director for Bon-Vue Productions. "In Europe, anything goes. Bondage scenes can show sex, urination, anything. But in America, anything approaching rape, urination, or bondage and sex together is strictly illegal."

For bondage fanatics, sex has nothing to do with the thrill of seeing a man or woman submitting to a series of humiliations. An intrusive chunk of sperm is the last thing on their minds—until they've got it on their hands.

Petite porn powerhouse Tami Monroe has been told to strip. Standing on an apartment rooftop, the diminutive slave removes her bikini top and slips out of her bottoms. A mangy male dominator spreads her legs to ensure the pussy remains open, and ties each ankle to stanchions.

Once his prey is secured, the man

takes liberties with Monroe's titties, giving each a painful slap before moving to her splayed cunt.

"You'd better be good," he mutters, running his grimy, biker's fingernails along the pussy's pristine lips, "or else I'll leave you up here forever."

With that, he leaves. Under the voyeuristic glare of the smoggy, summer sun, Monroe squirms and moans for ten uninterrupted minutes of solo torture. When her dominator finally returns to untie her, she laps his stained boots like a grateful puppy.

(Bon-Vue Productions)

Within the bondage and submission arena, there are several specific sub-genres. In roping videos, the allure is total physical control with a smaller dosage of whipping antics. The ultimate restraining-order kudos go to the *Bound and Gagged* series from Redboard Video, where young, half-naked girls are tied to radiators or bound squirming in the open trunks of automobiles.

Feminists who view bondage as detrimental to their cause are missing the point, according to director Roger Thornhill.

"I don't think movies incite violence," Thornhill maintains. "Violence is a major part of our life, and movies reflect that. I don't shoot videos with any intention to incite rape or violence—I'm addressing fantasies. I think of myself as a very caring person."

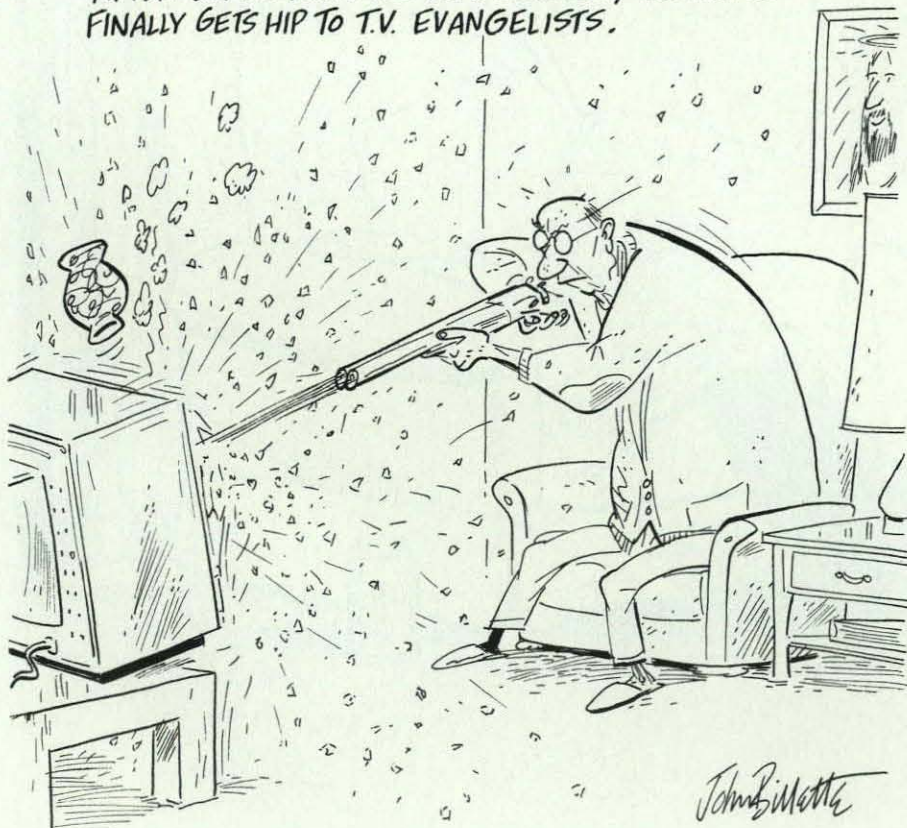

Thornhill's next production will feature girls bound and gagged in trash dumpsters.

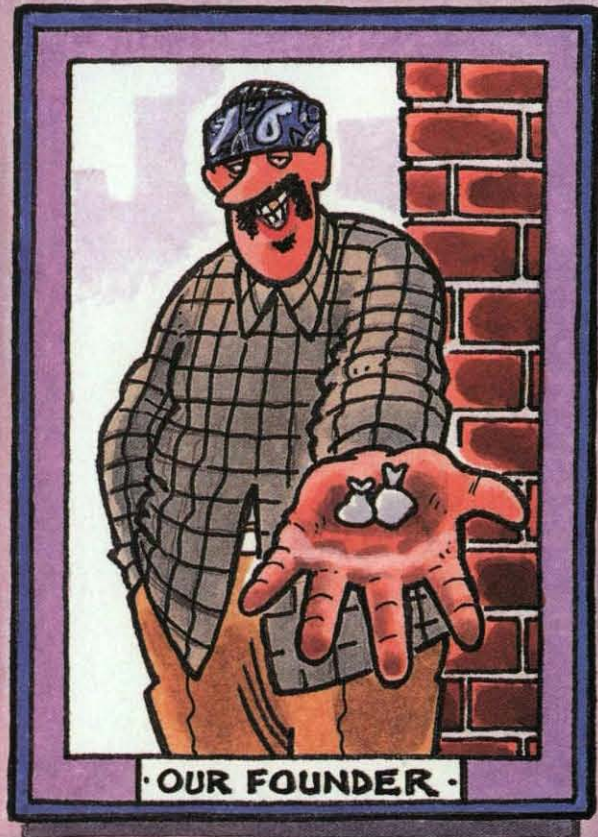

"Some people think of S&M, and they think of Hannibal the Cannibal," laughs busty, blond dom Goddess Sondra, whose beautiful bitchiness can be purchased through Versatile Productions. "The men I deal with are upstanding and productive members of society. This is simply a form of escapism and fantasy that takes care of some very deep-rooted, lustful needs of being controlled. It's really a form of letting go."

At opposite ends of a dark hallway, porn's hottest new piehole, Nikki Dial, glares into the eyes of busty brunette Micki Marsaille. Piece by piece, these dueling cuntfighters peel off black bras and panties and step cautiously toward one another until their double-D tits mash together. Dial grabs Marsaille's long, black hair and twists her head until Micki is forced to balance herself with two handfuls of Dial's own raven mane.

"You fucking bitch!" Dial groans

Scratching, punching, pulling and tripping one another, the girls roll into a bedroom and continue exercising their difference of opinion.

"You like it rough, bitch?" Marsaille snarls.

"No," Dial retorts, "I like it like *this*...."

She slaps Marsaille across the face, sending her adversary crashing into the headboard. Dial jumps onto Marsaille, her big tits disappearing like daggers into Marsaille's back. Dial puts on the choke hold and grinds her cunt into Marsaille's big butt. Sweat drips from Dial's forehead into her friend's eye as Marsaille squirms out of the hold and grinds her knee into Dial's crotch.

"You won't have one hair left when I'm through with you, cunt!" Marsaille growls as the two face off again.

"Most men don't hate women," says Dr. Block, "they just don't understand them. Men fight, but you don't see

many women fighting physically; so when a man sees this on a tape, he goes, 'Ha ha, they're just like us.'"

Without belaboring the obvious, there's something inherently erotic about two beautiful, naked girls beating the shit out of each other.

"These videos play on a fantasy of two women going at it physically like they do intellectually in real life," explains Ken Kirk, president of Napali Video.

Tao Productions produces a line of spanking vids for the viewer craving hand-to-cheek control. What male executive hasn't fantasized about bending an insolent secretary over his knee, pulling up her tight skirt, pulling down her frilly panties and giving her ass cheeks a new reason to take dictation seriously? *Spanked Secretaries* (Tao) satisfies that urge.

Platinum Video offers a series of ticklers like *Tickling Part I*, in which three sorority girls pull off each others' sweaters and shorts and proceed to ménage-à-tickle each other mercilessly,

A curvy blonde and big-boobed brunette play tennis on a warm afternoon. Sweat glistens between their heaving cleaves. After double-faulting, the brunette approaches the net holding her gut.

"What's wrong?" the blonde asks, concerned.

"I've got cramps," the brunette groans.

"Maybe you should go to the bathroom," the friend advises.

"Believe me, I've been trying for three days."

"Three days!" the blonde says in shock. "What you need is an enema."

Bending over a chair inside the house, the naked brunette spreads her ass cheeks while the blonde dispels a spray of water onto her tits from the loaded enema bag. The blonde lubes up the plastic nozzle and inserts it into the brunette's bloated bung hole. Loosening the hose clamp, the blonde squeezes the hanging, red-rubber bottle.

"The pressure's too much," whines the patient.

"You can take it."

"I want to let it out."

"It's not time yet," the practicing nurse insists. "Besides, you look good with this enema nozzle stuck up your asshole."

"Please, let me go to the bathroom!" begs the brunette.

"Be still! Let the water stretch your tummy out."

"But the pressure, the pressure," she whines.

"All done," the blonde smiles, squeezing the final drops from the bag and removing the nozzle from the patient's puckering asshole.

With a contorted face, the brunette holds her stomach and flees the camera yelling, "I'm not gonna make it!"

MINISTERS

(continued from page 80)

On the banks of the Chicopee River, Danny Croteau's violated body was discovered, his face split open and his skull crushed by a bloody rock nearby.

started to recall more and more, and it got sicker and sicker. My mind was blown. I considered him the world's best husband. I was in love with him."

The next day, Melissa's partially clothed body was recovered from a shallow grave in the couple's dirt-floor basement.

"In churches, people expect exemplary behavior and look past what is going on," notes Dr. Orr, explaining that prosecuting lawbreaking men of God involves difficulties that would be unheard-of with secular criminals.

Carl Croteau concurs. "The district attorney's office said, 'Where am I going to get 12 jurors to convict a priest?'" recalls Croteau, who believes his 13-year-old son Danny was murdered in 1972 by the priest who had sexually molested him. "I protested to the district attorney, but nothing came about," states Croteau. "God only knows why they didn't go through with the criminal prosecution."

The prime—and only—suspect in Danny Croteau's murder case was

Reverend Richard Lavigne of St. Mary's Roman Catholic Church in Springfield, Massachusetts.

Father Lavigne had taken a special interest in the five Croteau brothers, all of whom served as altar boys. According to Carl, the priest would often stop by the house, and sometimes invited the boys, one at a time, to stay overnight at the rectory. Upon the investigation into Danny's death, three of the Croteau boys alleged they'd been sexually molested by the priest.

Beneath a bridge on the banks of the Chicopee River, Danny Croteau's violated body was discovered, his face split open and his skull crushed by a bloody rock nearby. All other evidence had been washed away.

Without fingerprints or witnesses to place Father Lavigne at the scene, murder charges were never filed, and for 20 years the case remained officially unsolved. However, there was enough circumstantial evidence at the time to induce Carl Croteau to sign criminal complaints against the priest for Danny's murder, and for the sexual

molestation of three of his other sons.

"I remember [District Attorney Matty Ryan] was convinced the priest was the killer," a colleague of the former DA recalls. "He'd say, 'I know it's him.' He was really frustrated that he couldn't go for an indictment, but the evidence just wasn't there for a jury to convict a priest."

In October 1991, Father Lavigne was arrested on multiple counts of indecent assault and battery on children under 16.

It's doubtful there has ever been a congregation more forgiving of a preacher's transgressions than the parishioners at the First Baptist Church of West Richland, Washington.

Fifty-six-year-old Pastor Ed Lopes ministered to the parish from 1988 to 1991. Before becoming a minister, Pastor Lopes informed his flock, he had worked for Murder Inc., and had killed 28 men on orders from the Mafia. He said he'd found God while awaiting execution in his Death Row prison cell.

To his parishioners, Lopes's contract-killer past was of little concern. Most agreed with church member Carl Nyborg Jr., who told reporters in 1991, "I can forgive him."

National press coverage profiling West Richland's unusual minister led to the revelation that Pastor Lopes was actually a parole violator who, in 1972, had been sentenced to an Illinois state prison for the murder of his wife and the attempted murder of his girlfriend, whom he'd brutally attacked and left for dead.

Illinois correctional authorities had sought to find Lopes ever since he jumped parole ten days after his release from prison in 1983. Lopes's subsequent extradition attracted the attention of Massachusetts authorities, who revealed that Pastor Lopes was wanted there in connection with the 1966 death of a former girlfriend.

"I don't think anything could shock or surprise us anymore," acknowledged First Baptist member Mary Lande, who, like most parishioners, showed support for her pastor by attending his court hearings.

"It is important to remember that most ministers...are genuinely concerned about their fellow man and devoted to their ministry," urges Dr. Orr. Nonetheless, there are clerics who appear more intent on fleecing their flock than tending it, and there's no telling what kind of behavior lies behind the habit.

Fifty-six-year-old Father John Morales conspired with labor-union

MINISTERS (continued from page 110)

East St. Louis street preacher Joe Davis drove a black Jaguar, sported \$700 suits and wore a diamond-encrusted cross around his neck.

officers and Florida-based carnival promoter Louis Del Grosso to skim profits from bingo games held at two Indiana churches. Kathleen Rainey, who managed the gaming operations for Del Grosso, testified that she'd paid the priest \$1,000 a week or more over two years, and that, in return, gambling promoters had been allowed to falsely advertise illicit weekly bingo games as church fundraisers. In May 1991, Monsignor Morales was tried, convicted and sentenced to ten months in federal prison.

In June 1990, Reverend T. L. Barrett of the Life Center Church of Universal Awareness on Chicago's economically depressed South Side was cited for having hoodwinked 1,477 parishioners out of their life savings, to the tune of \$3 million.

The Illinois attorney general's office offered not to prosecute the minister if Pastor Barrett reimbursed his victims, but the repayment plan the preacher proposed was itself a con. Reverend Barrett intended to reimburse parishioners with proceeds from a national "All American Smile Campaign,"

featuring a music video and a record.

He also proposed selling cassette recordings of his sermons and three future books: *The Nine Months of Planetary Influence*, *The 12 Years of Discipleship* and *The Seven Years of Perfection*.

"The proposed reimbursement report that you have tendered," Cook County Circuit Court Judge Robert Sklodowski reprimanded Reverend Barrett, "displays further evidence of the insensitivity that your conduct has visited upon these economically distressed people."

Skłodowski then ordered Reverend Barrett to turn over the title to his church until final payment was made.

When 36-year-old Father David Piroli, former assistant pastor of St. Peter Claver Catholic Church in Simi Valley, California, was arrested for possession of cocaine outside a department store in Hollywood in May 1992, police discovered \$10,000 in cash stuffed in the trunk of his parish-owned vehicle.

Church employees discovered an additional \$50,000 hidden in the priest's

living quarters. Two stolen driver's licenses, an airline ticket to Mexico and a switchblade knife were also found among Piroli's possessions.

An audit of the rectory books, completed a month later, revealed that Piroli had likely embezzled more than \$43,000 in church funds during his two-year service at St. Peter's, and prosecutors believe that, while at his previous parish, Sacred Heart Church in Saticoy, California, he may have stolen thousands more. Court documents confirmed that, while the assistant pastor earned a monthly salary of only \$400, he'd made deposits exceeding \$40,000 in 14 bank accounts in Los Angeles and Ventura counties.

Five days after posting bail, Father Piroli drove off in his parish car and disappeared. United States Immigration officers apprehended Piroli attempting to smuggle two illegal aliens into the U.S. at the Calexico border in July 1992. During the investigation of Father Piroli's activities, authorities opened a safe belonging to the priest and discovered a volume of priceless letters written by Saint Frances Xavier Cabrini, America's first saint. The holy texts had been stolen from the seminary from which Father Piroli had graduated in 1986.

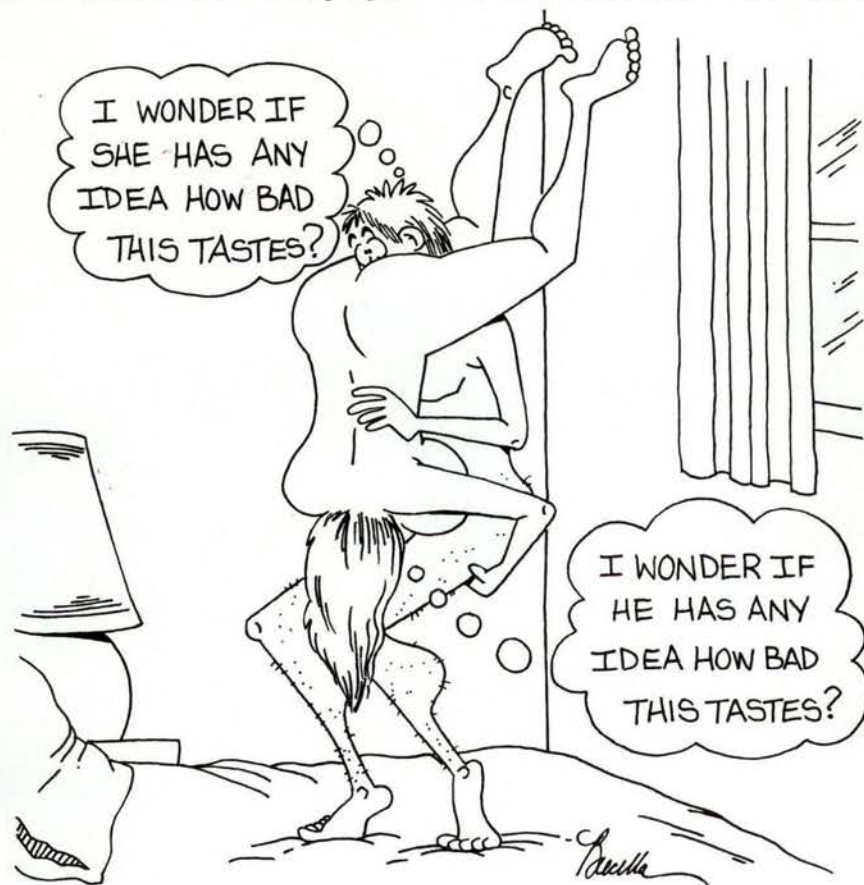

On February 14, 1990, Reverend Columbus Ewings, 57, pastor of the Community Fellowship Missionary Baptist Church in Chicago, was convicted of defrauding nine life insurance companies of more than \$1 million by falsifying information on policies he'd taken out on his ailing and disabled niece, Debra.

Debra, who suffered from muscular dystrophy, was continually in and out of hospitals. Unable to walk, she was confined to a wheelchair.

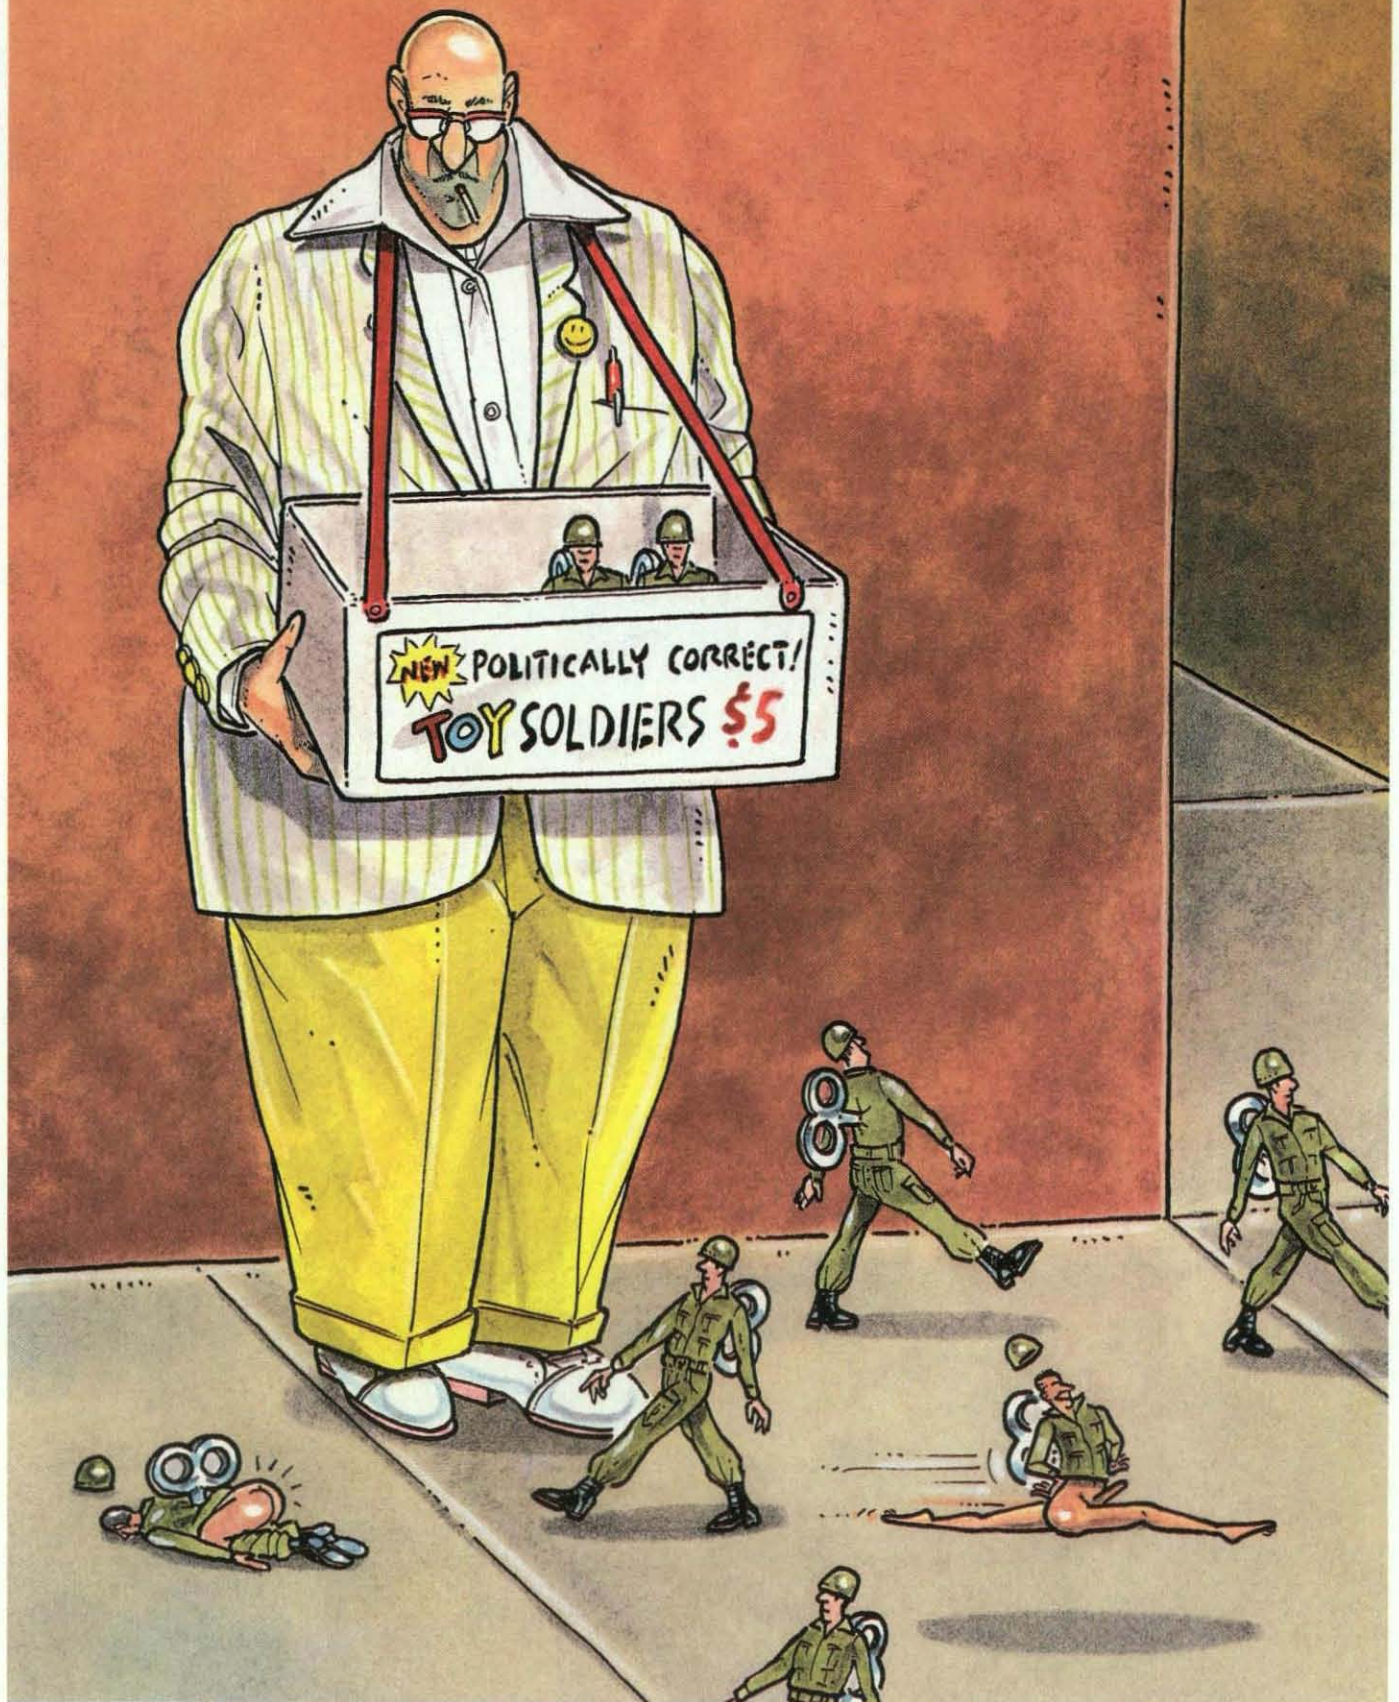

In 1971, Reverend Ewings quietly began buying life insurance for Debra, naming himself as beneficiary. Within seven years, the minister had accumulated eight policies, and in 1981 he purchased 12 more, raising the total benefits to over \$1 million.

"If [insurers] asked if she had seen a doctor within the past five years, [Reverend Ewings] would say she hadn't and didn't even have a doctor," says Assistant U.S. Attorney Chris Gair, who prosecuted Ewings. "If they asked if she had a deformity, the answer was an outright lie." When insurance agents came to sign Debra, the minister presented an impostor posing as his niece. When a medical examination was needed, he sent other impostors—such as his healthy daughter Shirley.

When Debra died in 1987 at age 31,

Dirty-blond porn starlet Crystal Wilder stares through the TV screen directly into the viewer's eyes.

"I wish you were here right now," she smiles. "I could really use you." She slips out of her leather ultraminiskirt and frees her inflated boobies from their corset prison. With her eyes glued to the camera, she slides two fingers in her pussy and a pinky in her gracious bung.

"I love to feel fingers inside me," she coos, opening her gash with both hands. "Wouldn't you love to have your face right here? As long as you're watching, pull your dick out for me. Slide your hand over the head and down that huge shaft," she moans, rubbing her big breasts while still working that asshole with a lucky little digit.

"The thought of you jerking off makes me so wet," Wilder purrs. "Let's come together," she begs, inviting the viewer to spray her big tits with a load of his lonely spuzz. "I hope we can come again," she smiles.

One guy has written every six months for four years—he likes [women wearing] moccasins." Foot fanatics of all walks shouldn't miss *The Agony of D'Feet* (Sorel Productions), where lovely Mistress Leah LeFleur crushes everything from cream puffs to light bulbs to eggs to men's bare chests with a dangerously tall pair of spiked heels.

No matter what the kink, the videography of fetish seeks to satisfy the urge. Redboard Video director Thornhill's advice to the squeamish: "Don't be afraid to try something new."

Be warned: Sexual adventuring can be habit-forming.

MINISTERS

Reverend Ewings collected \$970,430, with which he bought a house, a boat and several cars before giving \$100,000 to a female friend.

Deviates like Piroli and Ewings are usually screened out of the pastorship long before they can be ordained. "At seminary school," explains Dr. Orr, "there is a lot of psychological testing. The denominations want to make sure their clergy are psychologically prepared for the stresses entailed with the ministry."

One pastor who beat the system can arguably claim the title of the most crooked cleric in America: East St. Louis street preacher Joe Davis. Reverend Davis, who drove a black Jaguar, sported \$700 suits and wore a diamond-encrusted cross around his neck, established his 15th Street ministry in 1983.

The preacher portrayed himself as a reformed drug addict and former pusher who was on a mission to save the city's youth from drugs.

Claiming to have smoked a million dollars worth of cocaine, Davis admitted that when he first became a minister, he would often leave the pulpit during church service to get stoned.

"I'm a lot of things, but I'm not a drug dealer," Reverend Davis declared, following his arrest on drug charges. "I did not conspire with anybody to sell anything but Jesus."

Witnesses for the prosecution testified that Reverend Davis operated a number of crack houses in the depressed area. Dwayne Scruggs, who pleaded guilty to conspiring to sell cocaine, said the crack house he managed for the preacher sold \$10,000 to \$15,000 of coke a day.

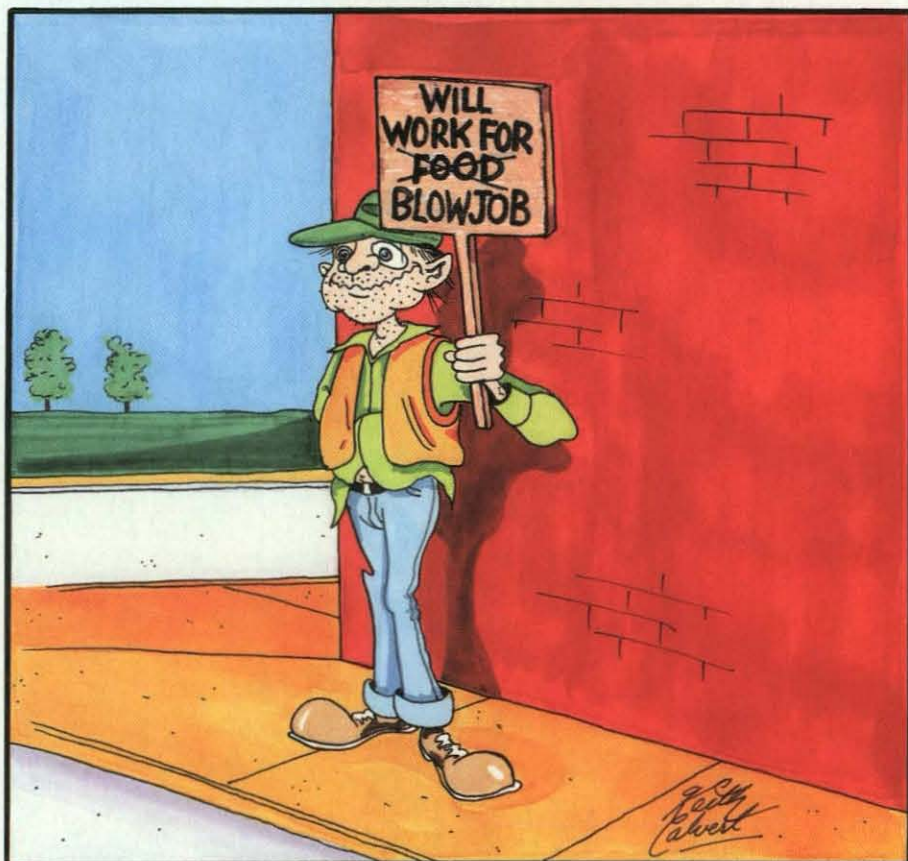

"It was like McDonald's," Scruggs told the jury.

A second witness, a City Hall employee who said he went to work as a drug runner for Reverend Davis, testified that the minister gave him a beeper, a .357-caliber pistol and a car for transporting drugs.

The most damnable testimony heard by the jury indicated that Reverend Davis often gave youngsters crack cocaine in order to get them to come to church.

On July 21, 1989, the jury convicted the malevolent minister of running a criminal enterprise and distributing an illegal substance.

Preachers such as Davis, Terry, Lavigne and their ilk may not keep the faith, but their willful misuse of their sacred office gives even atheists reason to hope that a vengeful God waits with a final reward.

I LIKE IT

HOT, WET & KINKY

I'm a pro, and I know just what I like. I like it hot, wet & kinky. I may look young & innocent, but don't think I haven't seen it all. I do it with boys, I do it with girls, and use your imagination after that. (Publisher's restrictions prevent me from giving further details.) If you'd like to see me at my professional best, send \$3 for a sample photo set to: Sabrina Kingsley, PO Box 6390-J27 Wheeling WV 26003. P.S. Don't confuse this ad with others like it. You Can

ENLARGE, THICKEN & HARDEN
YOUR PENIS TO IT'S MAXIMUM!

HAVE ERECT MEASUREMENTS OF
9, 10, EVEN 12 FULL INCHES!

Let Scott Taylor "King of Penis Enlargement" show you how!

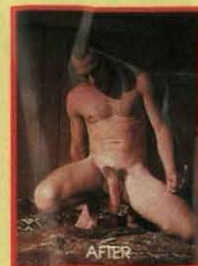

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count, but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of Super Porn Stars, Scott Taylor, Jeff Stryker and the hundreds of thousands of men who have proven that there is a way to INCREASE PENIS SIZE and THICKNESS! The device is called the SUPRA-12 VACUUM ENLARGER. A safe and proven natural way to add inches to penis length and thickness. With the SUPRA-12, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE SUPRA-12 VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis. You'll see the astonishing results the first time you use your SUPRA-12. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really BIG... how really FAT... how LONG... how HARD and STIFF your own penis can get! And after regular sessions with the SUPRA-12 you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

SUPRA-12, THE "ROLLS ROYCE" OF VACUUM ENLARGERS.

These sophisticated instruments are by far the state of the art in penis enhancing machinery. The HEAVY DUTY MANUAL model is a finely crafted precision instrument designed to create the vacuum needed to make the male organ LONG and THICKER. And for the connoisseur, the powerful ULTRA DELUXE ELECTRIC model (U.L. approved) is equipped to give you continuous even sucking power until you shut it off! The ULTRA DELUXE ELECTRIC is perfectly safe and as quiet as a whisper.

Accept no substitutes if you are truly serious about penis enlargement - join the more than half a million men who have proved that the SUPRA-12 will do the job for you!

SCOTT TAYLOR TAKES
YOU STEP-BY-STEP AND
SHOWS YOU HOW TO
ENLARGE YOUR PENIS!

He'll show you what phenomenal increases he has made in both the length and diameter of his penis with careful experimentation. Finally, he has hit upon the most efficient enlargement method to date! This video tape is a full color, detailed, step-by-step explanation by Scott of what you need to know to increase your own genital size.

ENLARGE
your
PENIS
to
MAMMOTH
DIMENSIONS
NOW!

NOW \$24.95

Scott Taylor, the well endowed porno star pictured above, used a very expensive vacuum enlarger in the best selling video "HOW TO ENLARGE YOUR PENIS". Finally, **The APEX 10 SYSTEM**, a newly designed and reasonably priced vacuum device that will enlarge your penis to absolute maximum size is now available. It will give you erections that are harder, stiffer, bigger, thicker and longer lasting. It will also increase your control over premature ejaculation. You deserve the best! Don't be fooled by cheap breakable imitations.

Do you envy men who have large penis size, like 8, 9, or even 10 inch erections? Envy no more! **SIZEMASTER** may be for you. Maybe you won't get 9-10 inches, but you'll swell to the maximum possible. Gentle suction massage makes the amazing difference.

Compare **SIZEMASTER** to units costing twice as much and more, even \$60 electric models. Yet **SIZEMASTER** is only \$13.95 and has a 30-day money-back guarantee. Amazing offer... amazing product! Won't she be surprised & delighted! Ask your doctor about **SIZEMASTER**. Sold as a novelty only.

NOTICE: The U.S. Post Office, without clinical tests, has forbidden the claiming of **permanent penis enlargement**, and we make no such claim. But after 10 years and half-a-million sold, we have less than 1% dissatisfaction. And with a 30-day money-back return privilege, you have no risk. So you be the judge. Order today from...

LONG, HARD ERECTIONS!
The Natural Way
Penis Weight Training System

It has long been recognized that weight training exercises can be beneficial to muscular development in terms of enhanced muscle tone, strength and size. The male penis is no exception. It has muscles associated with it. When properly exercised, these muscles will grow in strength and size just like any other muscle in your body.

Sexual Aides

How to order them
without embarrassment.
How to use them
without disappointment.

If you've been reluctant to purchase sensual aides through the mail, we would like to offer you three things that might change your mind.

1. We guarantee your privacy. Everything we ship is plainly and securely wrapped, with no clue to its contents from the outside. All transactions are strictly confidential, and we never sell, rent or trade any names.
2. We guarantee your satisfaction. If a product is unsatisfactory simply return it for replacement or refund.
3. We guarantee that the product you choose will keep giving you pleasure. Should it malfunction, simply return it to us for a replacement.

What is the Xandria Collection?

It is a very special collection of the finest and most effective sexual products from around the world. It is designed for both the timid and the bold. For anyone who has ever wished there could be something more to their sensual pleasures.

The Xandria Gold Collection...celebrates the possibilities for pleasure we each have within us. Send for the Xandria Collection Gold Edition Catalogue. Its price of \$4.00 is applied in full to your first order.

Write today. You have absolutely nothing to lose. And an entirely new world of enjoyment to gain.

The Xandria Collection, DEPT HUO993B
P.O. Box 31039, San Francisco, CA 94131

Please send me, by first class mail, the Xandria Collection Gold Edition Catalogue. Enclosed is my check or money order for \$4.00 which will be applied towards my first purchase. (\$4 U.S., \$5 CAN., £3 U.K.)

REAL GIRLS TELL THE REAL STORY

Alese Seward, Wind River Indian Reservation. "You'll really have a chance to meet adventurous women like me on the Partners Party Line because they advertise FREE service to women"

Rhonda Bloch, Wheeling WV. "I'm not a fancy party line model, but then, those stuck up models ain't going to fuck you. Me and my friends are just regular girls looking for a good time with a guy like you."

Margarita Izzarita, New York City. "What's great about Partners Party Line is they got live, friendly operators, sweetheart facilitators and none of that electronic bullshit like those fake bulletin boards."

Cecily W., Las Vegas.

"Yeah, I'm a street girl by night but I find my real lovers on the party line. They're open 24 hours a day - (and so am I, sweet thing)."

YOU CAN HAVE A LONGER, THICKER, HARDER PENIS NOW!

WATCH YOUR PENIS GROW, GROW, GROW!

Over 3 Million Sold!

You can have erect measurements up to 12 inches! Enlarge your penis to its maximum potential!

THE WORLD'S BEST SELLING PENIS DEVELOPER NOW OFFERED AT A FRACTION OF ITS ORIGINAL PRICE!

Have you ever been embarrassed by the size of your penis? Have you tried to convince yourself it's not how big it is but how you use it? As long as your sex partner needs to be completely filled, you owe it to yourself to do something about a larger penis now!

Our penis developer will increase penis length, thickness, and make your erection harder and stiffer.

Did you know a woman's vagina will stretch and enlarge to accommodate a large penis? Imagine her excitement as you penetrate deeper than you ever have before.

How does our penis developer increase your penis length and diameter?

The answer is called hypermia, a medical term to describe blood filling into caverns of your penis. The caverns expand causing your penis to grow in size and diameter. The superior pump action and sealed vacuum of our penis developer urges your penis to grow to mammoth proportions. Our penis developer is not just a vibrator like some electric units you may see advertised. Remember, it is the precise slow super pumping action of our space age designed penis pump that builds your penis larger than you ever dreamed possible.

Act now if you are interested in penis enlargement. TAKE ADVANTAGE OF THIS SPECIAL OFFER NOW!

HEAVY DUTY DELUXE MODEL
Reg. \$49.95- NOW ONLY \$24.95

THE FAMOUS SCOTT TAYLOR PENIS ENLARGEMENT VIDEO TAPE.

Scott has an enormous penis- he uses the hand held penis developer (not an electric massage unit) in a step by step demonstration to show you what you need to know and how to go about increasing your penis length and diameter.

COMPLETE INSTRUCTIONS INCLUDED WITH ENLARGER

Do not accept a cheaper substitute enlarger with the Scott Taylor Video and Pump Promotion. We offer the most durable enlarger available for only \$24.95. We also include the video FREE. The video sold separately at our wholesale price of only \$5.00.

LICK IT WICKED

Full moons bring out the wolf in the wrist when HUSTLER stacks October end-to-end with feminine finery. Wet 'n' wipe the butter-soft curves of a slick-titted, mini-slitted golden girl sliding a baby face and fluffy muff in and out of hot water; doff a coat of white in the leggy embrace of an ermine-unclad satin doll cruising for perusing in a stretch limousine; finger the ballroom rhythms of a top-heavy Latin lovely putting the rumble into rumba; hop in bed with two eye-bending platinum cover girls mashing lips and hips in a twin-skinned pillow hump; and wind up the screw with an up-and-coming country girl and a down-and-dirty drifter dude coupling in the desert outback. HUSTLER in October proves that looks can spill. Lap it up.

KICKING GIRLS WHO'RE DOWN

There are currently more than 48,000 women in state and federal prisons in America and approximately 40,000 more in city and county jails, according to federal prison statistics. Incarcerating tens of thousands of women has left an estimated 167,000 children motherless; corrections officials are unprepared for the special medical and rehabilitative challenges posed by female prisoners; and incidences of sexual assaults upon women behind bars, oftentimes committed by those employed to guard and protect them, are skyrocketing. Writer Robert Williamson reveals the appalling—and violent—circumstances facing female cons in *Jailed by Gender*, a hard look at the women brutalized by the Federal Bureau of Prisons.

SHOOT AT THE MOUTH

What do skin stars Porsche Lynn, Bunny Bleu, Lynn LeMay, Nina Alexander, Flame, Jade East, Tianna, Tanya Fox, Kym Wilde, Angela Summers and Hyapatia Lee have in common? Among other things, they all get off on older men. In the words of Rebecca Steele, "I'll hold my pussy open and say, 'Right here is my hot spot. Stay on that; suck on that a little bit.' Older men will suck so much and kind of lick it and push their tongues deep inside my pussy. Younger guys are offended when a woman tells them what she needs!" Hot tips, intimate items and everything personal about these public performers is revealed when writer Jon Mescal scoops the inside dirt in *Lip Service*, a no-holds-barred conversation with the flesh factory's finest.

DIPS AND CURVES

According to a National Research Council report titled "The Social Impact of AIDS in the United States," the likelihood of contracting the deadly virus through heterosexual intercourse is not what the media makes it out to be, reveals writer Mike Heimowitz in "Scared Straights," HUSTLER's *Sex Play* for October; *Hot Letters* joins mail and female in holey matrimony; *Beaver Hunt* makes the privacy of the home public knowledge; and *Bits & Pieces* proves that finding something funny doesn't require a sense of humor. HUSTLER in October scares up a bitchin' brew. Take it home!
